

U.S. ARMY CORPS OF ENGINEERS

Below are links to [U.S. Army Corps of Engineers \(COE\)](#) Districts which solicit and award contracts that might require ocean carriage of cargo for the performance of the contract. These links will direct you to the webpage for that District which will contain further links leading to active solicitations and contracts. Information on points of contact and solicitation/contract scope and basic information should also be available.

[North Atlantic Division, Europe District](#) (Weisbaden, Germany) – Supports U.S. Government programs and policies in Western, Central and Eastern Europe, Israel, and parts of Africa.
