**The Inaugural WIBW-TV 13 Thunder in the Heartland set for August 23-25 at Heartland Park:** The inaugural WIBW-TV 13 Thunder in the Heartland is a three-day championship drag racing event for NHRA's West Central Division - Division 5. The event will be held at Heartland Park Topeka August 23-25. "WIBW-TV 13 has become an integral partner in the promotion of events we host at Heartland Park Topeka. Aside from being one of the leading CBS Stations in the nation, they truly understand the importance of providing relevant content delivered through an integrated platform," said Heartland Park's General Manager Joe Douthitt. "Becoming the title sponsor for the inaugural WIBW-TV 13 Thunder in the Heartland event is cutting edge for the sport and a major step in our ongoing partnership. Fans will be able to experience a full weekend of activities racing and summertime fun!" Besides great racing, there will be many other fun activities to enjoy with the entire family, like the kids' zone, BBQ specials, fan contests, a car show and fireworks on Saturday and live music on Sunday. "Our 13 Weather Team constantly tracks thunder in the heartland. Now through this partnership, we are making some noise of our own by sponsoring the WIBW-TV 13 Thunder in the Heartland event," said Jim Ogle, General Manager of WIBW-TV/MyTV. "Our viewers and fans from all over the region are in for a great weekend of NHRA drag racing, car shows and family fun." This partnership with Heartland Park Topeka, NHRA and WIBW-TV 13 is unique; no other NHRA Division race in the country has a television station as the title sponsor. "It brings with it a terrific opportunity for the NHRA West Central Division," says Rob Park, Director of NHRA West Central Division. "This is a very exciting time for our racers, fans and sponsors." The event will be Aug. 23-25. Thursday, Aug. 23 is a Test-n-Tune day with competition beginning on Friday, Aug.24 and Championship on Saturday, Aug. 25. Tickets can be purchased at [www.hpt.com](http://www.hpt.com) Tickets for Thursday are \$10 for adults and children 12 and under are free. Tickets for Friday and Saturday are \$15 for adults with children (ages 4-12) \$5. A three-day pass is \$25 for adults and \$10 for children (ages 4-12). **Military with a Military ID and Children three and under are free.** A limited number of 2 for 1 coupon cards will be distributed through Topeka area businesses.

A list of locations will be announced soon. Heartland Park Topeka is a unique, multi-faceted motorsports facility that offers an array of activities for fans of all ages, tastes and backgrounds, from Saturday night dirt stock car racing to world-class, nationally prominent drag racing and road circuit events. It is the mission of owner Raymond Irwin and his team to "be a leader in the world of motorsports entertainment, and to build a community-based spirit throughout Topeka and the region." For tickets and more information on all Heartland Park Topeka activities, please go to [www.HPT.com](http://www.HPT.com)

**Free tickets available for NHRA Drag Races at Heartland Park Topeka: Please read entire e-mail before responding. If you are interested in these tickets please e-mail Tina Stull at [tina@tinastullracing.com](mailto:tina@tinastullracing.com)** Tina Stull from Tina Stull Racing in conjunction with Heartland Park Topeka will be providing free tickets to the Saturday, Aug. 25 races to members of the military. In addition with military I.D. military members receive one free admission to the races. The tickets are electronic. Please e-mail Tina at [tina@tinastullracing.com](mailto:tina@tinastullracing.com) and let her know how many tickets you would like to receive and a good e-mail address to send them too. Tina would also like to invite members of the military to come to her pit area during the races where she will have refreshments available. The Kansas National Guard will have a recruiting display in her area during the races. When requesting the tickets make sure you provide Tina with the following information: 1. Name 2. Number of tickets requested 3. E-mail where she can send you the tickets

**Fort Riley Religious Ministries Update - Family Life Ministries classes/groups:** Family Life Ministries hosts the following classes and groups: Marriage class: A class for couples preparing to get married or couples in the first few years of marriage. Class is offered the last Friday of the month. Divorce recovery group: A six-week group program to assist individuals in adjustments to life after divorce. The group meets from 10 to 11:30 a.m. every Thursday. Childhood sexual assault recovery group: A faith-based six-month program for women seeking to find help and healing from memories of sexual assault during their childhood. The group meets from 11:30 a.m. to 1 p.m. beginning Sept. 11. Marriage and Family counseling: Offered by appointment, the goal of counseling is to improve the quality of life within the Family unit. Individual counseling: Offered by appointment, the goal of counseling is positive client growth and development of effective problem-solving, decision-making and coping skills. For more information on any of the programs listed above, call 785-239-3426

**Fort Riley Better Opportunities for Single Soldiers (BOSS) Update - BOSS Pool Party Aug. 25:** will be from 8 p.m. to midnight at Custer Hill Pool. The party will feature a local disc jockey, barbecue drawings and giveaways and a flip-book photo booth. The event is free and open to those 18 years of age or older. Call 785-239-2677 for more information- see flyer below

**Fort Riley Advisories Update - Road Closures and Delays:** Aug. 27 – Sept. 14: The roads maintenance contractor will mill, patch and overlay First Division Ave from the intersection of Huebner Ave to Normandy Dr. Traffic will be reduced to one lane periodically on 1st Division during this time. This could produce traffic delays during peak traffic periods. Recommend the use of alternate routes during this time frame. Please observe the construction warning signs, pilot vehicle and Traffic Control personnel. <http://www.riley.army.mil/NewsViewer.aspx?id=5982>

**GOODYEAR SCHEDULES FREE TIRE TEST AT KANSAS SPEEDWAY ON AUG. 28-29:** Kansas Speedway's track reconfiguration project is nearing completion and NASCAR Sprint Cup Series teams are coming back to Kansas Speedway on Aug. 28-29 for their first look at the newly reconfigured track as they return for a Goodyear tire test. The test will run from 9 AM to 5 PM each day and will be open to the public and free of charge. Fans are asked to enter at Michigan Dr. off of Speedway Blvd. Due to another event setting up at Kansas Speedway, fans will only be able to enter at Gate D (closest to Turn 1) and sit in sections 169 and 171. Parking will be available in lots 5 and 6. Parking lots and gates will open at 8:30 AM. Sprint FanWalk will not be open during the test days. Restroom facilities will be open during the test. Concessions will not be available during the test days, however fans will be permitted to bring in a 14x14x14-inch soft-sided cooler with their favorite food and Coca-Cola products. This summer, crews have been adding variable banking to Kansas Speedway, changing the banking from the old 15 degrees to banking that is between 17 and 20 degrees in the turns. The banking on the frontstretch has also changed slightly, decreasing to 10 degrees (formerly 10.4 degrees), while the banking on the backstretch has increased slightly to 5.5 degrees (formerly five degrees). Crews also added an infield road course to Kansas Speedway. Testing dates, track schedule and drivers/teams are subject to change due to weather or other circumstances. For updates on whether your favorite driver will participate be sure to follow us on **Facebook** and **Twitter**. Tickets for Oct. 21 Hollywood Casino 400 NASCAR Sprint Cup Series race, the Oct. 20 Kansas Lottery 300 NASCAR Nationwide Series race and the Oct. 19 Kansas Lottery 98.9 ARCA Racing Series presented by Menards race are on sale now by calling 866.460.RACE (7223). Every season ticket comes with a Track Pass that provides you with access to the infield for the pre-race concert, driver introductions and much more! Parking is always free at Kansas Speedway and fans can bring in one 14x14x14-inch soft-sided cooler with their favorite food and beverages.

**PWOC Fall 2012 Kick-Off:** AUGUST 28 9000-1130 and 6:15pm to 8:00pm: PWOC is open to all women in the community and is a valuable resource for women to easily make friends and receive support during difficult times. Women who attend PWOC meetings vary in age from new wives to retirees. We are a very diverse group with different military experiences as active duty veterans, spouses of active duty, and spouses of retired veterans. We are united through Jesus regardless of the rank of our spouse. There is a time for learning, fellowship, spiritual growth, laughter, hugs, and food.

**Military Council of Catholic Women (MCCW) Fall Kick-off is Sept 5, 2012 0900-1030 am** at St Mary's Chapel- open to all Catholic women, not just Military Spouses and Soldiers. There will be music, rosary, fellowship and Bagels. FREE childcare but your child must have closed toe shoes!

**OCSC 24 August Ice Cream Social – 10:30 at Hildebrand Farms in Junction City:** What a better way to survive the heat of August than a cool scoop of ice cream and smiling faces? You can never have too many of each! Join us for a tour of the Hildebrand dairy in Junction City and an ice cream treat afterwards. Cost is \$5.00 per person and the whole Family is welcome. RSVP to [activities@fortrileyocsc.com](mailto:activities@fortrileyocsc.com) for more information on this great organization check them out on Facebook at [www.fortrileyocsc.com](http://www.fortrileyocsc.com)

**HASFR Annual Ice Cream Social at the Custer House on Ft Riley- Monday August 27<sup>th</sup> from 6pm to 8pm-** for more information check out their Facebook page at <http://www.facebook.com/fortrileyhistory>

**Irwin Army Community Hospital (IACH) –** IACH personnel would like to have a working relationship with ALL of its patients; they are wanting your feedback whether it be positive or negative. If you are having issues while you are at the clinic it may be something that can be resolved on the spot. Please ask for the AO (Admin Officer) or a GPM there on site to resolve all issues face to face. Sometime after you have left you are unable to remember names or even dates. Often, when you arrive home and start typing what happened into an ICE Comment, it is interpreted differently than what might have actually happened. Families also tend to put personal information in an ICE Comment that is read by numerous people, in order to resolve the issue that has been presented. Don't leave the clinic unhappy, visit with the AO (Admin Officer) or a GPM. Listed below are the AO's for each clinic, they will assist families immediately while you are still in the clinic. They are also willing to come out and speak to your FRG and Steering Committee meetings to help get this word out. **Custer Hill Clinic- Walter Long 240-7070, Farrelly Health Clinic- Robin Harris 240-5548, Dept of Surgery/ Specialty Clinics- Fran Dinklecamp 239-7280 or Toni Murphy 239-7944, and IACH- Tony Pablo- 240-7498**

**Army Provider Level Satisfaction Surveys (APLSS) -** Remind Families to fill out the APLSS surveys the hospital can get up to \$175 back per positive survey to bring more items or personal into IACH (see flyer) Survey statistics being filled out between the dates of Sep 2011 to May 2012: Active Duty Soldiers: 6 out 100(5.8%) Soldiers, Spouses 10 out of 100 (9.6%), Retires/Spouses under the age 65 are 45 of 100 and Retires over 65 are 64 out of 100 are filling out and returning these surveys. The hospital does have a 93% positive rating - would like to reach 95%. Be open and honest about your visit- good or bad they want to know about their Clinics and the Hospital.

**Fort Riley's Fall Apple Day Festival will be from 9 a.m. to 3 p.m. Sept. 22 at Artillery Parade Field.** The event is an opportunity to learn about Fort Riley and will include a demonstration by the Commanding General's Mounted Color Guard, a military working dog demonstration, a historic encampment, an ATV course, a paintball course, static displays and many more activities. ## WEST NILE VIRUS

FACT SHEET 18-009-0812

### What is West Nile virus and where is it found?

West Nile virus (WNV) is a mosquito-borne virus that was first seen in the United States in 1999. Since then more than 30,000 people in the United States have been reported as getting sick from the virus, which includes more than 1,200 deaths. WNV infected mosquitoes have been found in every state except Alaska and Hawaii.

### How do people become infected with West Nile virus?

People contract WNV primarily through the bite of an infected mosquito. Mosquitoes acquire this virus by feeding on infected birds. Infected mosquitoes then transmit the virus to more birds, as well as to humans and other animals, when biting them. In a very small number of cases WNV can be transmitted through blood transfusions, organ transplants, breastfeeding and even during pregnancy from mother to baby. WNV is NOT transmitted from person-to-person. For example, you cannot get the virus from touching or kissing a person who has the disease or from a health care worker who has treated someone with WNV.

### Can you get West Nile virus directly from birds or other animals?

There is no evidence that a person can get WNV from handling either live or dead infected animals. However, as a general precaution, always wear gloves when handling dead animals, including dead birds, and use double plastic bags when disposing of them. Remember to report any dead birds to local preventive medicine personnel.

### What are the symptoms of West Nile virus infection?

Most people who are infected with WNV, about 80%, will not show any symptoms at all. Less than 20% of people experience mild flu-like symptoms between 3 and 14 days after they are bitten by an infected mosquito. In a small number of cases, less than 1%, the disease is much more serious and can cause encephalitis, particularly among the elderly and those with weakened immune systems. Encephalitis is an inflammation of the brain. It is marked by rapid onset of severe headache, high fever, stiff neck, disorientation, muscle weakness, paralysis, coma, and even death.

### Is there treatment for West Nile virus infection?

There is no specific vaccine, treatment, medication or cure for WNV, however, the symptoms and complications of the disease can be treated. Most people who get this illness recover from it. In more severe cases, individuals should seek professional medical help where treatment may include intravenous fluids, help with breathing and nursing care.

### What should I do if I think I have West Nile virus?

Although milder WNV illness improves on its own, pregnant women and nursing mothers should talk to their doctor if they develop symptoms that could be WNV. Most people with mild WNV symptoms do not necessarily need to seek medical attention. However, if you develop symptoms of severe WNV illness, such as unusually severe headaches or confusion, seek medical attention immediately. Severe WNV illness usually requires hospitalization.

## DOD INSECT REPELLENT SYSTEM

Combined use of all elements of the DOD Insect Repellent System provides maximum and safe protection from mosquitoes that carry West Nile virus. It is DOD policy that Soldiers use the DOD Insect Repellent System when the threat of vector-borne disease transmission is likely.

### What can I do to prevent myself from contracting West Nile virus?

The best method of protection from biting insects such as mosquitoes is the use of the DOD Insect Repellent System. It incorporates permethrin repellent on the uniform, DEET repellent on exposed skin, a properly worn uniform and sleeping under a permethrin-treated bed net. Uniforms factory-treated with permethrin will have a garment label similar to the one shown (left). Another important preventive measure is to eliminate mosquito breeding sites. Empty water from birdbaths, old tires, and other outdoor containers that collect water. Make sure that door and window screens are in place and do not have holes. Avoid being outdoors from dusk to dawn, which is the peak biting time for many species of mosquitoes that transmit WNV.

### What can I use to treat my clothing with permethrin?

Beginning in October 2012, Army Combat Uniforms that are factory-treated with permethrin (ACU-P's) will be made available to Soldiers. If not factory-treated, apply permethrin to uniforms in the field before wearing using either the IDA Kit (NSN 6840-01-345-0237), which can last up to 50 washings, or aerosol can (NSN 6840-01-278-1336), which lasts 5-6 washings. U.S. Environmental Protection Agency (USEPA) labeled products that contain permethrin can be used to treat civilian clothing. Permethrin impregnated garments are also commercially available to civilians.

### What are the standard military insect repellent products available for use on exposed skin?

- Ultrathon (NSN 6840-01-284-3982), 33% controlled-release DEET lotion, one application protects for 12 hours.
- Ultra 30 Insect Repellent Lotion (NSN 6840-01-584-8393), contains 30% Lipo DEET, the formulation is not as greasy and one application protects for up to 12 hours.
- Cutter pump spray (NSN 6840-01-584-8598), contains 23% DEET, one application protects for up to 8 hours.
- Cutter Outdoorsman Insect Repellent Stick (NSN 6840-00-142-8965), contains 30% DEET, is a solid formulation, one application protects for up to 8 hours.
- Sunsect lotion (NSN 6840-01-288-2188), combines 20% DEET and 15 SPF sunscreen.
- Camouflage Face Paint (CFP) with 30% DEET (NSN 6840-01-493-7334).

*NOTE: Do not apply repellent to the eyes or lips, or to sensitive or damaged skin.*

Standard military insect repellents for use on exposed skin come in a variety of formulations (left). All standard skin repellents contain the active ingredient DEET and are registered by the USEPA. These products are safe to use and effective at repelling mosquitoes that carry the West Nile virus.

### What is considered a "properly worn uniform"?

Worn properly, your uniform acts as a physical barrier against insects. Wear the sleeves rolled down. Close all openings in your clothing that might provide access to insects: tuck pants into your boots, and undershirt into your pants. Wear your uniform loosely since mosquitoes can bite through fabric that is pulled tight against the skin.

### What are the standard bed nets available to help protect Soldiers from mosquito bites while sleeping?

Lightweight, Self-Supporting, Pop-Up Bed Nets factory-treated with permethrin are available in Coyote Brown (NSN 3740-01-518-7310) or OD Green (NSN 8415-01-516-4415). Untreated Mosquito Bed Nets (NSN 7210-00-266-9736) should be treated with permethrin aerosol before setting up to prevent mosquitoes from biting through the net.
