WIRELESS TELECOMMUNICATIONS BUREAU UPGRADES THE UNIVERSAL LICENSING SYSTEM'S SEARCH CAPABILITIES REGARDING ASSIGNMENT OF LICENSE AND TRANSFER OF CONTROL APPLICATIONS

The Wireless Telecommunications Bureau's (Bureau's) Universal Licensing System (ULS) provides, among other things, an online means for the public to research and view applications submitted to the Bureau. The Bureau has recently upgraded the ULS "Application Search" functionality to include queries specifically geared toward researching proposed transfers of control or assignments of license (FCC Form 603 applications). For example, the public may determine whether an application has been filed, view Form 603 online, or determine the status of a particular application. The Bureau invites applicants, licensees, and the public to take advantage of this powerful research tool. ULS Application Search (including online instructions) is available on the Internet at <http://www.fcc.gov/wtb/uls>.

Technical Support/Contact Information

For general information about ULS, including answers to frequently asked questions regarding submitting applications, finding the status of pending applications, and searching the ULS database, the Commission recommends first consulting the ULS web page at <http://www.fcc.gov/wtb/uls>. Those having specific questions not addressed on the web page may contact Commission staff via phone or e-mail as described below.

FCC Technical Support Hotline: (202) 414-1250 (TTY: (202) 414-1255), or via e-mail at ulscomm@fcc.gov. Contact the Technical Support Hotline about questions concerning computer access to ULS, TIN registration, uploading files, or submitting attachments in ULS. The hotline is available Monday through Friday, from 8:00 am to 6:00 pm eastern time. In order to provide better service to ULS users and ensure the security of the electronic filing system, *all calls to the hotline are recorded*.

ULS Licensing Support and Forms Information: 1-888-CALL-FCC (225-5322), choose option #2. E-mail questions may be sent to ulshelp@fcc.gov. Contact Licensing Support with questions about which application purpose(s) are appropriate for a particular filing, what information is being requested on a ULS form or schedule, or any other ULS-related licensing matter. ULS Licensing Support is available Monday through Friday, from 8:00 am to 5:30 pm eastern time.

Comments on ULS should be sent via the Internet to: ulscomm@fcc.gov.
