FOREWORD

The Office of Product Standards Policy (OPSP) of the National Bureau of Standards formulates and implements programs relating to national and international standardization, laboratory accreditation, and legal metrology. This report lists publications prepared by the staff of OPSP during the four-year period ending in September 1985.

Papers are listed alphabetically by author in six sections, entitled:

- Standards, Guidelines, and Procedures
- Standards Activities
- Standards Information
- Laboratory Accreditation
- Product Certification
- Weights and Measures

To obtain information on OPSP programs, copies of any of these documents, or their abstracts, please write to:

- Office of Product Standards Policy
- National Bureau of Standards
- Room A603, Administration Building
- Gaithersburg, MD 20899

or telephone the office on (301) 921-3751.
