

# A Discourse on Disruption

Ben Kohlmann

June 6<sup>th</sup>, 2012

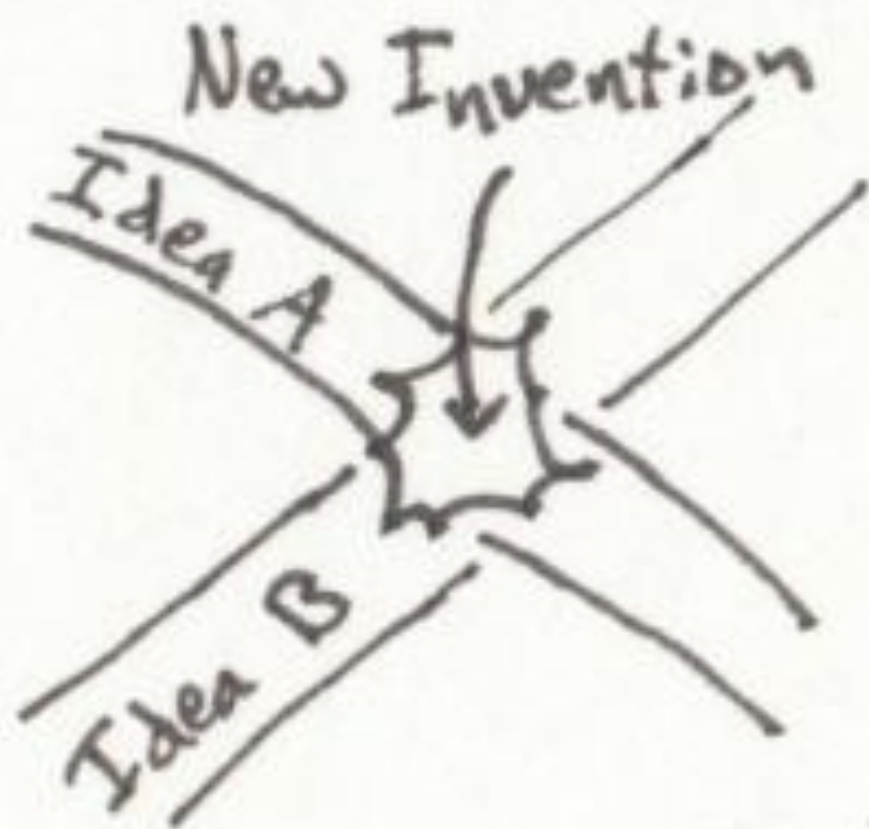

# BUDGET CUTS

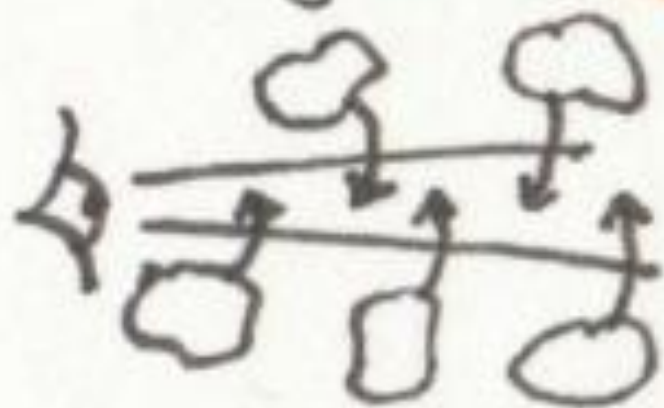

You go to war with the Army you have not the Army you wish for.

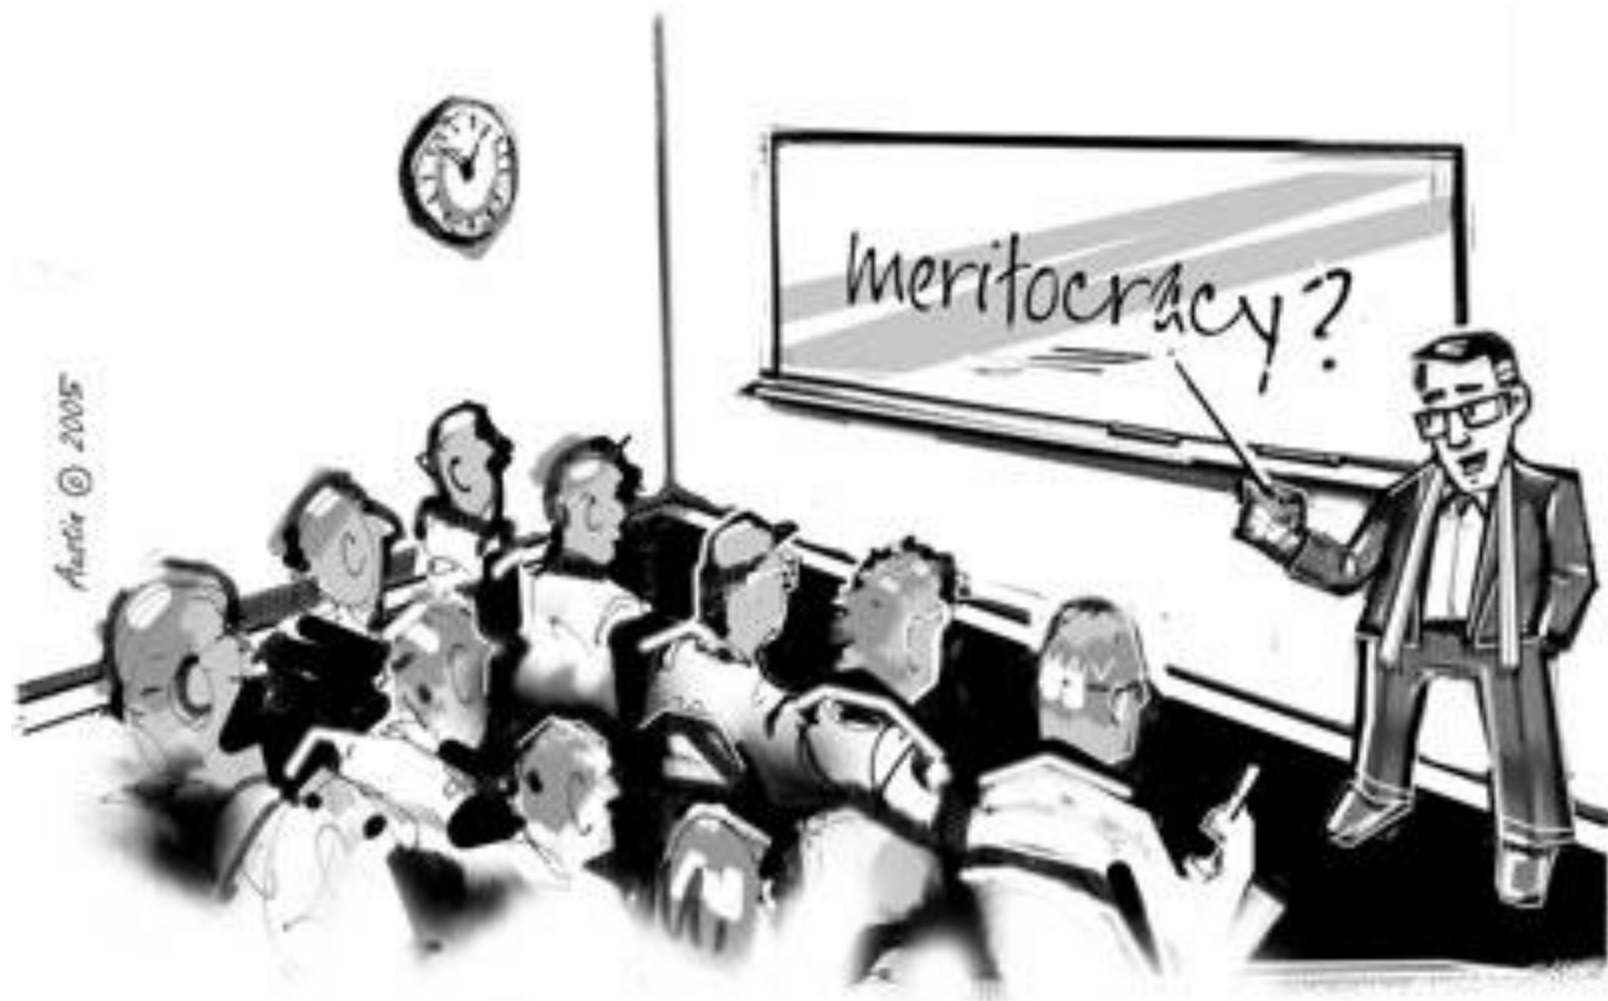

# Conceptual Blending

Key Element:

A willingness to consider ideas that don't seem worth considering

"Progress often masquerades as trouble."

Disruptive **Thinkers**

Why?  
Because they  
said so.

The dogmas of the quiet past are inadequate to the stormy present...As our case is new, so we must think anew, and act anew. We must disenthrall ourselves, and then we shall save our country.

-Abraham Lincoln
