PURPOSE: To inform the OA and the State Apprenticeship Agencies (SAA) staff, Registered Apprenticeship program sponsors and other Registered Apprenticeship partners of the approval of new National Standards of Apprenticeship for American Electric Power.

BACKGROUND: These new National Standards of Apprenticeship submitted by Ms. Debra Nobles, Administrative Associate, Distribution Technical Training, on behalf of representatives from American Electric Power and the International Brotherhood of Electrical Workers, were approved by the OA Administrator on December 4, 2012. The new National Apprenticeship Standards for American Electric Power, for the occupation Journeyworker Line, Line Mechanic A, Journeyman Lineman (Line Maintainer) occupation will be serviced by the OA National Office.

If you have any questions, please contact Doug McPherson, Apprenticeship and Training Representative, Division of Standards and National Industry Promotion, at (202) 693-3783.

ACTION: This bulletin is being provided to OA staff for informational purposes only. The OA National Office will be responsible for maintenance and technical assistance regarding this program.

NOTE: This bulletin is being sent via electronic mail.
