Navy Cash[®] Flash 06 - #002

30 Nov 06

Attention: Disbursing Officer/Supply Officer

Purpose: To provide notification of testing and implementation of a new shore side communications method.

Discussion: The Navy Cash Program will be moving from the existing ISDN (Integrated Services Digital Network) or dial up line between the NOCs and the Navy Cash Banking Facility to a new T1 (Telecommunication Carrier #1). This change should be invisible to individual ships. This will occur in two phases. Phase I will begin testing on UARNOC Dec 5th with full implementation by Dec 11th. Phase II will begin testing on PRNOC Jan 19th with full implementation by Jan 22nd. Should you experience extended periods of communication difficulties during these periods, please contact the Customer Service Center (1-866-662-8922 or navycashcenter@ezpaymt.com).

POC is Edie Johnston, edie.johnston@navy.mil, (717) 605-2771.

MARLENE HIGGINS
Director, Navy Disbursing
