

DEPARTMENT OF DEFENSE EDUCATION ACTIVITY

Office of Communications
Publicity Permission Form

Within the Department of Defense Education Activity, there are many opportunities to celebrate the achievements and activities of our districts, schools, students, staff and community members. The Information Age has provided additional mediums to publish our accomplishments, showcase our educational programs and services, and strengthen two-way communication among our publics. While television and print publications have been traditional ways of getting information to our publics, we now have the added benefit of the Internet.

With regard to the Internet, DoDEA official web sites follow the goals, guidelines and policies for responsible and safe Internet publication practices set forth by the Deputy Secretary of Defense and the DoDEA Web Publishing Guide.

In order for us to include a student, staff member or community member in print publications, television, multi-media or the Internet, permission is needed.

The following is provided for your review and signature:

I give permission for my child's name, image, and/or student work products to be utilized in various forms of media including: newsletters, DoDEA web sites (images only), DoDEA print and video productions, military community publications, military affiliated publications (Stars & Stripes), military affiliated electronic media (AFN/AFRTS), public media (local, host nation, U.S. national newspapers, magazines, television), and future types of media for the duration of his/her enrollment.
