

NEW DODEA IMMUNIZATION REQUIREMENT

SECOND DOSE OF VARICELLA REQUIRED

EFFECTIVE SCHOOL YEAR 2010-2011

DoDEA has added a new immunization requirement effective school year 2010-2011. All currently enrolled students, as well as new students to the school will be required to have proof of having received two doses of Varicella (chickenpox) vaccine.

If your child is currently enrolled in our school and you are unsure if they have received two doses of Varicella vaccine you can contact the school nurse at 876-5797.

DoDEA immunization requirements for new students enrolling are as follows:

- 4 doses of Diphtheria, Tetanus, and Pertussis (DPT) with one dose being given after the 4th birthday
- 2 doses of Haemophilus (Hib)
- 2 doses of Hepatitis A (HepA)
- 3 doses of Hepatitis B (HepB)
- 2 doses of Measles, Mumps, and Rubella (MMR)
- 3 doses of Polio (IPV) with one dose being given after the 4th birthday
- 2 doses of Varicella (VAR)
