**Afghanistan International Marble Conference III
“Afghanistan’s Resource Advantage”**

May 25 – 27, 2011 – Herat, Afghanistan

**Hosted by Afghanistan Marble Industry Association - AMIA
&
Ministry of Mines, Government of the Islamic Republic of
Afghanistan**

- Join international investors, Afghan quarry and processing operators, industry experts, local and international business and government leaders.
- Discover investment and partnership opportunities and learn about important trends in Afghanistan’s fast-growing marble sector.
- Get the latest information on significant improvements in the regulatory environment; meet the key producers and potential joint-venture partners.
- The conference will bring together resources on the latest technology, equipment, and training innovations, as well as available financing and investment support.
- Afghanistan offers hundreds of varieties of high quality stone and marble from one of the richest asset bases in the world!
