

The HCUP Central Distributor State Inpatient Databases (SID) for Arkansas 2010 contains incorrect payer information for six hospitals. The original source data for the six hospitals included incorrect primary and secondary payer information. The HCUP Arkansas Partner was able to provide corrected payer information for discharges from four of the six hospitals. An updated 2010 AR SID includes the corrected payer codes for the four hospitals and sets to missing the payer information in the other two hospitals (18,785 discharges accounting for 4.6% of all discharges).

We apologize for any inconvenience this may cause your organization. We will send you the updated 2010 AR SID that replaces the data file that you previously purchased. If you have any questions, please contact the HCUP Central Distributor (866-556-4287 toll-free or HCUPDistributor@AHRQ.gov).

Sincerely,

The HCUP Central Distributor Team
