

Thrift Savings Plan BULLETIN

for Agency TSP Representatives

Subject: Agency Responsibilities When Thrift Savings Plan Participants Separate From Federal Service

Date: July 16, 2002

This bulletin discusses the actions that agency representatives must take when Thrift Savings Plan (TSP) participants separate from Federal service. This bulletin lists the materials that must be included in a TSP withdrawal package after the new record keeping system is implemented in September 2002.

TSP participants are employees who have TSP accounts, including FERS employees who are only receiving Agency Automatic (1%) Contributions and CSRS employees who currently may not be making TSP contributions but who have made contributions in the past.*

I. Agency Responsibilities

When a TSP participant separates from Federal service, agency representatives must:

- A. Give the participant a TSP withdrawal package. (See Section II.)
- B. Explain the TSP withdrawal options to the participant. (See Section III.)
- C. Check the TSP service computation date (TSP-SCD) and the TSP vesting code if the participant is covered by FERS. If either data element is incorrect, submit an employee data record (06-Record) to the TSP record keeper, the National Finance Center (NFC), containing the correct information. (See TSP Bulletin 97-30, dated August 19, 1997, for more information about vesting and the TSP-SCD.)
- D. Submit an employee data record to NFC containing the employment code and the employment code date.
