

Thrift Savings Plan BULLETIN for Agency TSP Representatives

Subject: 2009 Fall Poster — “TSP Movie Marquee”

Date: November 10, 2009

The Thrift Savings Plan (TSP) continues to issue posters and other materials which can be used by agencies and services to promote the TSP and encourage informed participation.

We are pleased to announce the publication of the TSP’s Fall 2009 poster “TSP Movie Marquee.” The poster highlights the contribution limits for 2010 and encourages participants to maximize their participation in the TSP. The poster does not have an expiration date and can be displayed during Fall 2009 and throughout 2010.

The TSP will issue a supply of posters to all agency and service central distribution points. These will arrive shortly. (The poster does not have a stock number, but shows the version date on the back.) An electronic version of the poster is attached to this bulletin and is also available on the TSP website. Please contact your authorized agency or service representative to order print versions of these materials. Materials cannot be ordered directly from the TSP.

Please display the posters in highly visible areas, such as employee lounges, hallways, cafeterias, etc. It is important that participants know the maximum amounts of pay they can save for retirement in the TSP; although the TSP limits remained unchanged from last year, the posters are an easy way to convey this message.

A handwritten signature in cursive script that reads "Pamela-Jeanne Moran".
