

Thrift Savings Plan BULLETIN for Agency TSP Representatives

Subject: Special TSP Poster — “April is Financial Literacy Month”

Date: March 19, 2010

The Thrift Savings Plan (TSP) is pleased to announce the publication of its special poster, “[Get Financially Fit with the TSP](#),” in support of Financial Literacy Month in April 2010. The poster features an image of a dollar bill lifting weights. We hope that you can use the poster in conjunction with your “April is Financial Literacy Month” activities. By reminding participants that the TSP is a benefit which can help them meet their long-term financial and retirement goals, we feel that you will be supporting the objectives of this literacy campaign.

An electronic version of the [poster](#) is attached to this bulletin and is also available on the TSP website. The TSP will not be issuing a supply of posters to agency and service central distribution points.

Please print the poster and display it in highly visible areas, such as employee lounges, hallways, cafeterias, etc., and/or forward the electronic posters to your employees. It is important to remind participants to periodically reassess their TSP investments, particularly in light of the economic events of the past few years. The posters are an easy way to convey this message.
