Applicants' Representations:

1. UBS AG is a bank established under the laws of Switzerland that directly or through its subsidiaries provides global wealth management, securities and retail and commercial banking services. Each of the Applicants are either directly or indirectly controlled by UBS AG. UBS Securities is a full service investment banking firm engaged in securities underwriting, sales and trading, investment banking, financial advisory services and investment research services. UBSFS, UBSFA, UBSFA Advisers and UBS Global AM Americas are registered as investment advisers under the Investment Advisers Act of 1940 and currently serve as investment advisers to registered management investment companies ("Funds"). UBSFS and UBS Global AM US are registered as broker-dealers under the Securities Exchange Act of 1934 ("Exchange Act") and act as principal underwriter to various open-end Funds and unit investment trusts ("UITs"). UBSFS also serves as a depositor to UITs. UBS AG and ESC GP provide investment advisory services to employees' securities companies ("ESCs"), as defined in section 2(a)(13) of the Act, which provide investment opportunities for highly compensated key employees, officer, directors and current consultants of UBS AG and its affiliates.

2. On December 23, 2008, the United States District Court for the Southern District of New York entered a judgment, which included the Injunction, against the Settling Firms ("Judgment") in a matter brought by the Commission.² The Commission alleged in the complaint ("Complaint") that the Settling Firms violated section 15(c) of the Exchange Act in connection with the marketing and sale of auction rate securities ("ARS"). The Complaint alleged that the Settling Firms misled their customers regarding the fundamental nature and increasing risks associated with ARS that the Settling Firms underwrote, marketed and sold. The

Complaint further alleged that the Settling Firms misrepresented to their customers that ARS were safe, highly liquid investments that were equivalent to cash or money-market funds.

Without admitting or denying any of the allegations in the Complaint, except as to jurisdiction, the Settling Firms consented to the entry of the Injunction and other equitable relief, including undertakings to take various remedial actions for the benefit of purchasers of certain ARS.

Applicants' Legal Analysis:

1. Section 9(a)(2) of the Act, in relevant part, prohibits a person who has been enjoined from engaging in or continuing any conduct or practice in connection with the purchase or sale of a security, or in connection with activities as an underwriter, broker or dealer, from acting, among other things, as an investment adviser or depositor of any registered investment company or a principal underwriter for any registered open-end investment company, registered unit investment trust, or registered face-amount certificate company. Section 9(a)(3) of the Act makes the prohibition in section 9(a)(2) applicable to a company, any affiliated person of which has been disqualified under the provisions of section 9(a)(2). Section 2(a)(3) of the Act defines "affiliated person" to include, among others, any person directly or indirectly controlling, controlled by, or under common control, with the other person. Applicants state that the Settling Firms are affiliated persons of each of the other Applicants within the meaning of section 2(a)(3). Applicants state that, as a result of the Injunction, they would be subject to the prohibitions of section 9(a).

2. Section 9(c) of the Act provides that the Commission shall grant an application for exemption from the disqualification provisions of section 9(a) of the Act if it is established that these provisions, as applied to Applicants, are unduly or disproportionately severe or that the conduct of the Applicants has been such as not to make it against the public interest or the

protection of investors to grant the exemption. Applicants have filed an application pursuant to section 9(c) seeking a temporary and permanent order exempting the Applicants and the other Covered Persons from the disqualification provisions of section 9(a).

3. Applicants believe that they meet the standards for exemption specified in section 9(c). Applicants state that the prohibitions of section 9(a) as applied to them would be unduly and disproportionately severe and that the conduct of Applicants has been such as not to make it against the public interest or the protection of investors to grant the requested exemption from section 9(a).

4. Applicants state that the alleged conduct giving rise to the Injunction did not involve any of the Applicants acting in the capacity of investment adviser, sub-adviser or depositor to any registered investment company or in the capacity of principal underwriter for any open-end Fund or UIT (“Fund Service Activities”). Applicants note that none of the current or former directors, officers, or employees of the Applicants (other than the Settling Firms) had any involvement in the conduct alleged in the Complaint, except as noted in footnote 3.³ Applicants further state that the personnel at the Settling Firms who were involved in the violations alleged in the Complaint have had no and will not have any future involvement in Fund Service Activities.

5. Applicants state that the inability of the Applicants to engage in Fund Service Activities would result in potentially severe financial hardships for the registered investment companies they serve and the registered investment companies’ shareholders or unitholders.

³ The Complaint alleges that several senior executives of the Settling Firms sold all or some of their personal auction rate securities holdings after becoming aware of undisclosed risk factors associated with the auction rate securities program, including concerns about the Settling Firms’ ability and willingness to support the auctions. Certain of these officers or employees may also have been officers or employees of UBS AG. These officers or employees have had no involvement in Applicants’ Fund Service Activities and are either no longer employed by the Settling Firms or UBS AG or are not and will not have any involvement in Applicants’ Fund Service Activities.

Applicants state that they will distribute written materials, including an offer to meet in person to discuss the materials, to the boards of directors of the Funds (the “Boards”), including the directors who are not “interested persons,” as defined in section 2(a)(19) of the Act, of such Funds, and their independent legal counsel as defined in rule 0-1(a)(6) under the Act, if any, regarding the Injunction, any impact on the Funds, and the application. Applicants state that they will provide the Boards with all information concerning the Injunction and the application that is necessary for the Funds to fulfill their disclosure and other obligations under the federal securities laws.

6. Applicants also state that, if they were barred from providing Fund Service Activities to registered investment companies and ESCs, the effect on their businesses and employees would be severe. Applicants state that they have committed substantial resources to establish an expertise in providing Fund Service Activities. Applicants further state that prohibiting them from providing advisory and distribution services would not only adversely affect their businesses, but would also adversely affect over 450 employees that are involved in those activities. Applicants also state that disqualifying UBS AG and ESC GP from continuing to provide investment advisory services to ESCs is not in the public interest or in furtherance of the protection of investors. Because the ESCs have been formed for the benefit of key employees, officers, directors and current consultants of UBS AG and its affiliates, it would not be consistent with the purposes of the ESC provisions of the Act to require another entity not affiliated with UBS AG to manage the ESCs. In addition, participants in the ESCs have subscribed for interests in the ESCs with the expectation that the ESCs would be managed by an affiliate of UBS AG.

7. Applicants state that UBS Securities and certain other Applicants have previously received an order under section 9(c) of the Act.⁴ Applicants also state that affiliated persons of UBS Securities previously have received exemptions under section 9(c) as the result of conduct that triggered section 9(a), as described in greater detail in the application.

Applicants' Condition:

Applicants agree that any order granting the requested relief will be subject to the following condition:

Any temporary exemption granted pursuant to the application shall be without prejudice to, and shall not limit the Commission's rights in any manner with respect to, any Commission investigation of, or administrative proceedings involving or against, Covered Persons, including without limitation, the consideration by the Commission of a permanent exemption from section 9(a) of the Act requested pursuant to the application or the revocation or removal of any temporary exemptions granted under the Act in connection with the application.

Temporary Order:

The Commission has considered the matter and finds that the Applicants have made the necessary showing to justify granting a temporary exemption.

Accordingly,

IT IS HEREBY ORDERED, pursuant to section 9(c) of the Act, that Applicants and any other Covered Persons are granted a temporary exemption from the provisions of section 9(a),

⁴ UBS Securities L.L.C., et al., Investment Company Act Rel. Nos. 26245 (Oct. 31, 2003) (notice) and 27047 (Apr. 25, 2005) (order).

solely with respect to the Injunction, subject to the condition in the application, from December 23, 2008, until the Commission takes final action on their application for a permanent order.

By the Commission.
