

Walter F. Podolski

Argonne National Laboratory
9700 South Cass Avenue, Bldg. 205
Argonne, IL 60439
phone: 630/252-7558
fax: 630/972-4430
e-mail: podolski@cmt.anl.gov

Professional Experience

- Technical contract management and support of research, development, and demonstration of fuel-cell-powered vehicles
- Investigation of behavior of heat-exchanger materials in fluidized-bed heaters and metal waste in fluidized-bed combustors

Professional Society Activities

- American Institute of Chemical Engineers
- ASM International
- Society of Automotive Engineers Fuel Cell Codes and Standards Committee

Awards

- 2003 USCAR Distinguished Service Award
- DOE Fuel Cell Program Award 1998

Education

- PhD and MS, Chemical Engineering, Northwestern University
- BS, Chemical Engineering, University of Detroit
