Dear Summer Flounder Dealer and
Commercial Vessel Permit Holder:

This letter is to inform you that the summer flounder (fluke) commercial quota available to the State of Connecticut has been harvested.

Effective August 17, 2001, fishing vessels issued a Federal moratorium permit for the summer flounder fishery may no longer land summer flounder in State of Connecticut for the remainder of the 2001 calendar year. Vessel owners issued Federal permits are also reminded that they must continue to complete and submit vessel logbooks. Additionally, dealers issued Federal dealer permits for summer flounder are advised that they may not purchase summer flounder from federally permitted vessels that land in State of Connecticut for the remainder of the calendar year. Federally permitted dealers must also continue to report all fish purchases from any vessel.

Sincerely,

Patricia A. Kurkul
Regional Administrator
