

# HIGH FLYER

Published by ARO, Incorporated, operating contractor for ARNOLD ENGINEERING DEVELOPMENT CENTER

...“THIS BUM IS AN IMPOSTOR”...

**FIRE PREVENTION  
WEEK OCTOBER 3-9**

Sparky, the ARO fire department's Dalmatian mascot, has that "whipped dog look" these past few weeks. Seems that the National Fire Prevention Week (See Page Two) people are featuring a cartoon character, a Dalmatian also named "Sparky", on their posters. "They didn't give me a shot at the role. I been snubbed," whines our (the real) Sparky. That cartoon cur is a lousy imposter. He's strictly from Disney. I'll sue."
