

Regulatory Guidance Letter 88-02

SUBJECT: Accounting: Charges to Projects

DATE: March 25, 1988

EXPIRES: December 31, 1990

1. When the Regulatory Branch does work clearly associated with a Corps of Engineers civil works project, the time should be charged against the project account. Examples would include file searches for issued or pending permits in the vicinity of the project, support for compliance with the Clean Water Act or other environmental laws (e.g., public notices, 404(b)(1) and NEPA documents for the project), wetland calls, etc.
2. This guidance expires 31 December 1990 unless sooner revised or rescinded.

FOR THE CHIEF OF ENGINEERS:
