# Supplemental Form A

U.S. Department of Justice  
Immigration and Naturalization Service

OMB No. 1653-0038  
Record of Designated School Officials

**Instructions:**

(1) Form I-17, Supplement A, listing up to ten designated school officials for each school or campus within a school system (except an elementary or secondary system as noted below), must be attached to each Form I-17, Petition for Approval of School for Admittance by Nonimmigrant Students. If there is a change in designated school officials, a new Supplement A must be completed and submitted to the Immigration and Naturalization Service Office having jurisdiction over the school within thirty days.

(2) "Designated school officials" (DSO) means a regularly employed member of the school administration whose office is located at the school and whose compensation does not come from commissions for recruitment of foreign students. A DSO may not delegate this designation to any other person. An individual whose principal obligation to the school is to recruit foreign students for compensation may not be a DSO. The president, owner, or head of a school system must designate a principal DSO. The principal DSO is required to have a thorough knowledge of the regulations, policies and procedures governing nonimmigrant students, and is responsible for ensuring that each additional DSO has a thorough knowledge of the same.

Each school or institution must have one principal DSO, and may have up to ten DSO's at any one time, except at the discretion of the district director of the INS office having jurisdiction over the school. In a multi-campus institution, each campus must have a principal DSO. In an elementary or secondary school system, however, the entire school system is limited to a total of ten designated officials at any one time.

I, THE UNDERSIGNED, have read the Immigration and Naturalization Service regulations relating to nonimmigrant students, namely 8 CFR 214.1, 8 CFR 214.2(f), and/or 8 CFR 214.2(m); the Service's regulations relating to change of nonimmigrant classification for students, namely 8 CFR 248; the Service's regulations relating to school approval and withdrawal of school approval, namely 8 CFR 214.3 and 214.4, and intend to comply with these regulations at all times.
