

Retiree Appreciation Days (RADs)

Many RADs offer health screenings and vaccinations.

Retiree Appreciation Days (RADs) are designed with you in mind. They're a great source of the latest information for retirees and Family members in your area. RADs vary from installation to installation, but, in general, they provide an opportunity to renew acquaintances, listen to guest speakers, renew ID Cards, get medical checkups, and various other services. Some RADs include special events such as dinners or golf tournaments. For more information, contact the Retirement Services Officer (RSO) sponsoring the RAD.

We are updating this list as RADs are scheduled or changed.
