

What is the FSA Financial Services Website?

The United States Department of Agriculture, Farm Service Agency (FSA) Financial Services' Website allows producers to generate reports that show both current and historical financial information.

Registered producers may view summary and detailed information about specific payments, collections, outstanding debt (excluding loans) and CCC-1099-G.

Registered producers may enter their own information to assign a payment to a third party, request that a payment be made jointly to the producer and a third party or route their program payments to their account at a financial institution.

Benefits of website

1. **Convenient** - Provides instant access to both current and historical data.
2. **Availability** - Financial information is available 24 hours a day, 7 days a week.
3. **Improved Customer Service** - Provides better customer service and reduces the number of trips made to your local FSA office.
4. **Identity Security** - The Website is only available to registered e-Authentication users.

Who is eligible to use the website?

Currently, individual producers who have Internet access and have registered for e-Authentication Level 2 may use the FSA Financial Inquiries website.

What types of financial inquiries are available?

- **Payments** - Provides summary and detailed financial information on payments made by the Farm Service Agency to you. Inquiries may be selected by date, program name, farm number or financial institution account number. The inquiry contains links to more detailed information.
- **Collections** - Shows collections received from you and/or on your behalf, including what program the collection was for and the amount of the collection. Inquiries may be selected by date, program name and/or farm number.
- **Debt** - Shows the outstanding principal owed by you. This query does not show loan activity.
- **CCC-1099-G Queries** - Provides summary and detailed information on amounts reported to the Internal Revenue Service. These inquiries may be used to reconcile CCC-1099-G.
- **Customer Account Inquiry** - Provides a comprehensive list of financial activity for you (i.e. payments, collections and debt) for a selected period of time. Detailed information may be obtained through use of links provided in the inquiry.

What other financial services are available?

- **Assignments** - Enter your own assignment of a payment to a third party.
- **Joint Payment** - Enter a joint payment election to have your program payment made payable to yourself and a third party.
- **Direct Deposit** - Enter your own bank routing number and account number to have payments made electronically to your bank account.

How does a producer sign up to use the FSA Financial Services website?

After a producer has signed up for an e-Authentication Level 2 account, the producer will have access to the Financial Services Website. Producers may sign up for an e-Authentication Level 2 account on the www.eauth.egov.usda.gov website.

1. To obtain a Level 2 account, you must complete a customer profile and submit it online.
2. After submitting your customer profile, you will receive a confirmation e-mail, and you must respond to it within 7 days to activate your account.
3. Then you must complete the "Identity Proofing" process by visiting a local USDA Service Center and presenting a photo ID, such as your driver's license.
