

**UNITED STATES MISSION TO THE UNITED NATIONS
NEW YORK**

June 2, 2004

HC-61 -04

The United States Mission to the United Nations presents its compliments to the Permanent Missions to the United Nations and has the honor to refer to an obligation involving all United States Legal Permanent Residents (LPR) employed by the Missions.

The United States Mission wishes to remind the Permanent Missions that, pursuant to Section 257 (b) of the Immigration and Nationality Act, all Mission employees of the Permanent Missions who are pending or current United States Permanent Residents must complete form I-508, "Waiver of Rights, Privileges, Exemptions and Immunities." Failure to do so may jeopardize their continued status as a Permanent Resident.

Any member of the Permanent Mission who is a pending or current United States Permanent Resident and has not personally completed a form I-508 should do so now and return the completed forms to the United States Mission's Office of Host Country Affairs. Forms may be obtained by visiting the following United States Citizenship and Immigration Services website address: <http://www.uscis.gov/files/form/i-508.pdf> .

The United States Mission to the United Nations avails itself of this opportunity to renew to the Permanent to the United Nations the assurances of its highest consideration.
