

RETIREMENT AND INSURANCE RIDER INFO

July 2001 List of Upcoming Benefits Posters

The U.S. Office of Personnel Management (OPM) is offering prints through the rider system of the following posters in the retirement benefits areas. These items are available from the Superintendent of Documents, Government Printing Office (GPO). Riding OPM's printing requisition is the most economical way to obtain bulk supplies. Those items that are available from the Superintendent of Documents are noted. OPM does not stock supplies of any of the posters. If you have any questions about this rider, please call (202) 606-0623 or send email to benefits@opm.gov. Information on how to order is in Benefits Administration Letter 01-110, which is posted on our web site at www.opm.gov/benefits.

This is the first opportunity to purchase products from a RIS rider this fiscal year. However, the posters will be posted on the web site. Since they can be downloaded and printed as needed, this may be a better alternative for items you need in smaller quantities.

The actual cost of the posters will vary, depending upon the various specifications and quantity. However, the most economical way of obtaining bulk quantities is to ride OPM's printing requisitions.
