

**Position Classification Flysheet for  
General Telecommunications Series,  
GS-0392**

**TABLE OF CONTENTS**

**Series Definition ..... 2**

## **Series Definition**

This series includes one-grade interval positions that involve performing or supervising miscellaneous telecommunication duties not provided for in other series. Positions in this series do not typically involve substantial operation of telecommunications equipment to send and receive messages, but do require knowledge of telecommunications techniques to facilitate the flow of messages.
