

Maxaa loola jeedaa erayada “lagu hayo” iyo “aan lagu heynin”?

- “Lagu hayo” waxaa loola jeedaa qof lagu hayo xarumaha ICE. Nidaamka ODLs waxaa laga heli karaa xarunta uu qofku ku xiran yahay iyo macluumaad ku saabsan sida lagu soo booqan karo. Nidaamka ODLs waxaa kale oo laga heli karaa xafiiska DRO ee mas’uulka dacwadda qofka xiran.

- “Aan lagu heyn” waxaa loola jeedaa qof laga sii daayey xarumaha dadka lagu hayo ee ICE 60kii maalmood ee ugu dambeeyey. Taas macnaheedu waxaa weeye in ay suurto gal tahay in qofku aanu joogin dhulka Mareykanka, ama laga sii daayey xarumaha dadka lagu hayo ee ICE.

Yaan laga heli karin ODLs?

Nidaamka ODLs lagama heli karo macluumaadka halka ay ku sugan yihiin dhamaan dadka ku xiran xarumaha ICE. Arrimo la xiriira amaanka,

nabadgelyada iyo hab u gaar ah nidaamka ay hay'addu u shaqeyso ayaa u diidaya in la soo bandhigo macluumaadka qof kasta lagu soo bandhigo nidaamka ODLs. Tusaale ahaan, ilmaha da'da yar (caruurta da'doodu ka yar tahay 18 sano) macluumaadkooda lagama heli karo nidaamkan. Sidoo kale, shaqsiyaadka qaarkood waxaa suurto gal ah in aan la gelin macluumaadkooda nidaamka ODLs marka la soo xiro durbadiiba, taasoo ku xiran Inta hawlahooda la dhameynayo iyo waqtiga la gelinayo kombiyuutarka.

Waan helay qofkii aan raadinayey. Maxaan yeelaa markaan?

Haddii aad hesho qofkii la hayey oo aad raadineysay, waxa aad la xirii kartaa halka uu ku xiran yahay adiga oo adeegsanaya macluumaadka aad haysato si aad u xaqiijiso in qofka weli la sii hayo maadaama macluumaadka ODLs uu yahay mid isbedela 8dii saac ee kasta.

Haddii aad go'aansato in aad soo booqato qofka xiran, waa in aad la xiriirtaa goobta uu ku xiran yahay ka hor inta aadan aadin si aad u xaqiijiso saacadaha booqashada iyo nidaamka u yaal. Waxaa kale oo lagaa doonayaa in aad keento aqoonsi ay dawladdu bixisey oo sawir leh haddii aad booqaneyso xarunta.

Weli waxa aan qabaa su'aalo dheeraad ah. Xagee ayaan jawaab ka helayaa?

Waxaa jira su'aalo inta badan la is weydiyo iyo jawaabahooda (FAQs) oo aad ka heli karto barta internetka ee ODLs: <http://www.ice.gov/locator>.

06/2010

Sidee ayaan ku Ogaan karaa halka uu ku xiran yahay qof ku qoran xarumaha Waaxda Socdaalka?

Nidaamka Lagu Ogaado Halka Ay Ku Xiran Yihiin Dadka Xiran

www.ice.gov/locator

Muxuu yahay Nidaamka Lagu Ogaado Halka Qofku Xiran yahay?

Habka laga heli karo barta internetka ee lagu ogaado halka uu qofku ku xiran yahay (ODLS) waa midka dadka oo dhan u furan isla markaana xubnaha qoyska, wakiilada sharciga ah (qareenada) iyo dadweynuhuba, ay ku ogaan karaan halka uu ku xiran yahay qof ku xiran goobaha dadka lagu hayo ee ICE. Si aad u adeegsato ODLS, fadlan soo booqo <http://www.ice.gov/locator>.

Kolkii hore, sida kaliya ee lagu ogaan jirey waxa ay ahayd iyada oo lala soo xiriiri saraakiisha Xarumaha dadka lagu hayo lagana dhoofiyo ee ICE. Dib u habeynta lagu sameynayo, ICE waxa ay dhaqan gelisey ODLS si xubnaha qoyska iyo qareenada ay si fudud u ogaadaan halka ay dadkoodu ku xiran yihiin, 24ka saac, todobada cisho ee todobaadka. Nidaamkan waxa lagu heli karaa afka Isbaanishka, iyada oo lagu daabici doono luqado kale.

Online Detainee Locator System

Detainee Locator

Select a different language: English

Use this page to locate a detainee who is currently in ICE custody, or who was released from ICE custody for any reason within the last 90 days.

NOTE: Online Detainee Locator System cannot search for records of persons under the age of 18.

Search by A-Number

If you know the detainee's A-Number, ICE recommends you use the A-Number search. The A-Number must be exactly nine digits long. If the A-Number has fewer than nine digits, please add zeros at the beginning. You are also required to select the detainee's correct Country of Birth.

* A-Number: (e.g., 012345678)

* Country of Birth: -- Select a Country --

Search by Biographical Information

When searching by name, a detainee's first and last names are required and must be an exact match (e.g., John Doe will not find John Doe or John Doe-Smith). You are also required to select the detainee's Country of Birth. It is optional to enter the detainee's Date of Birth to further narrow the search. Note that all value input below are evaluated for exact matches.

* First Name:

* Last Name:

* Country of Birth: -- Select a Country --

Date of Birth: Month Day Year

Sidee ayaa Xubnaha Qoyska iyo Qareenadu uga baaran nidaamkan dadka u xiran Waaxda Socdaalka?

Habka ODLS waxa aad wax kaga baaran kartaan laba siyaabood:

1. Lambarka Qofka ee socdaalka (A-Lambar) iyo Waddanka uu u dhashay.

Sida ugu haboon ee nidaamka wax looga baarto waa lamabarka socdaalka ee qofka xiran (A-lambarka) iyo waddanka uu u dhashay. A-lambarka waa lambar ka kooban sagaal lambar kaas oo ah lambar la siiyo qof kasta oo codsada waxyaabaha macaashka ee laga helo waaxda socdaalka. Sagaalka lambar waxaa suurto gal ah in uu eber ka biloowdo. A-Lambarku waa lambar gaar ah qof kastana kiisu gaar yahay. A-Lambarka waxaa laga heli karaa dhinaca kore ee midigta ee Ogeysiiska Codsadaha Loogu Yeeray (NTA), Foomka I-862. Marka aad geliso A-Lambarka, waxa lagaa doonayaa in aad geliso waddanka uu u dhashay qofka xiran, ama

2. Magaca awoowaha, Magaca qofka, iyo waddanka uu u dhashay.

Haddii aadan garaneyn A-lambarka qofka xiran, waxa aad ku raadin kartaa adiga oo adeegsanaya magaca qofka iyo kan awoowaha qofka iyo waddanka uu u dhashay. Haddii aadan ku guuleysan in sidaa aad ku ogaato, waxa aad tixgelisaa in magaca qofka aad siyaabo kala duwan u geliso.

Miyay waa waajib igu tahay in aan garanayo sida saxa ah ee loo qoro magaca qofka xiran?

Haa. Nidaamka ODLS waa mid ku shaqeeya sida saxa ah ee magacu u qoran yahay. Taas macnaheedu waxaa weeye si aad u ogaato halka qofku ku xiran yahay waa in aad gelisaa A-lambarka saxa ah ee qofka ama magaca koowaad ama magaca sadexaad ee qofka sida uu ugu qoran yahay warqadaha ama warqadaha lagu xirey. Haddii aad si khalad ah aad u geliso macluumaadka qofka, nidaamku ma ku siinayo jawaab ama natiijo sax ah..

Tusaale ahaan adiga oo raadinaya “Robert Smith” ma heleysid jawaab sax ah haddii aad u geliso “Robert Smyth” ama “Bob Smith.”

Marka aad baaritaanka ku sameyso A-Lambarka, macuumaadka hal qof oo kaliya ayaa kuu soo baxaya, waayo qof kasta waxa uu leeyahay A-Lambar u gaar ah. Hase yeeshee, marka aad adeegsato magaca qofka, waxa suurto gal ah in ay macluumaadka dad badan kuu soo baxaan haddii ay wadaagaan magaca iyo wadanka ay u dhasheen. Marka uu macluumaad fara badan kuu soo baxo, fiiri sanadka dhala-shada qofka xiran, kaas oo ka dhax muuqanaya jawaabta kuu soo baxday, ama ku baar A-Lambarka qofka xiran.

Maxaan yeelayaa haddii aanan weli waxba ku ogaan karin baaritaankaas?

Nidaamka ODLS waxaa laga heli karaa oo kaliya macluumaadka dadka lagu hayo xarumaha ICE ama dadka laga sii daayey 60kii maalmood ee u dambeeyey. Haddii aadan nidaamka ODLS ku ogaan karin dadka lagu hayo ama dadka laga sii daayey 60kii maalmood ee u dambeeyay, fadlan la xiriir xafsiyada ku shaqada leh ee ICE DRO. Barta Internetka ee <http://www.ice.gov/about/dro/contact.htm> ayaad ka heli kartaa magacyada xafsiyada iyo halka lagala xiriiri xafsiyada DRO.
