Langley Air Force Base (LAFB) announces publication of five final Records of Decision (RODs) for Environmental Restoration Program (ERP) Site WP-08; ERP Site WP-14; ERP Site OT-56; ERP Site SS-63; and ERP Sites LF-01, LF-05, LF-18, LF-22 and FT-41. The sites are also identified as Operable Unit (OU) 26; OU 32; OU 49; OU 51; and OUs 21, 23, 35, 37 and 44, respectively. The selected remedial actions for these Sites were chosen in accordance with the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986, and, to the extent practicable, the National Oil and Hazardous Substances Pollution Contingency Plan.

The selected remedial actions documented in the RODs are no action (WP-08, WP-14 and OT-56); excavation and off-site disposal of sediment from the Southwest Branch of the Back River (SS-63); and manage waste in place and land-use controls (LF-01, LF-05, LF-18 and LF-22); and sediment controls, land-use controls, and monitoring (FT-41).

The selection of remedial actions for ERP Site WP-08; ERP Site WP-14; ERP site OT-56; ERP Site SS-63; and ERP Sites LF-01, LF-05, LF-18, LF-22 and FT-41 was finalized after the 30-day public comment period for each site ended and all comments were taken into account. A summary of responses to comments, titled Responsiveness Summary, is included in the final RODs.

Complete documentation of the analysis of conditions at these sites is presented in the site inspection reports, remedial investigation reports, risk assessment reports, feasibility study reports, and proposed plans for each site. These documents, along with the final RODs, are available for viewing along with the rest of the Administrative Record by calling Mr. John Tice at (757) 764-1082 to make an appointment. A copy of the RODs and an index to the documents in the Administrative Record are also available at the Hampton Central Library, 4207 Victory Blvd, Hampton, VA. Upon request, LAFB will make documents in the Administrative Record available for public review at the Hampton Central Library. The telephone number for the Hampton Central Library is (757) 727-1154.
