Re: Freedom of Information Act Request (FOI 2010-00842)

Dear Ms. Riehle:

Thank you for your letter of February 17, 2010, and its enclosures, responding to my Freedom of Information Act request for documents setting forth the amount of attorneys' fees and costs billed to, or submitted to, the U.S. Department of Energy in the lawsuit pending in U.S. District Court in the Eastern District of Washington under the caption Duane Hall v. Fluor Hanford, Inc., No. 2:08-cv-5029-EFS.

The enclosures that the Department provided summarize bills invoiced through November 9, 2009. The lawsuit at issue continued past that date, through a trial that concluded on February 5, 2010. I of course understand that the Department has not received all invoices regarding the defense of the case. I write to request, pursuant to the Freedom of Information Act, that the Department of Energy provide the same information as previously requested regarding all further invoices submitted since November 9, 2009.

Thank you again.

Sincerely,

MACDONALD HOAGUE & BAYLESS

Mel Crawford
