Re: DeHart v ACand S, Inc., et al.

Dear Sir or Madam:

Please consider this letter as a request for documents made under the Freedom of Information Act (701A) 5 USC #552 et seq with respect to the above entitled matter. Please note this is a request for documents only, and that the U.S. Department of Energy is not a party to this action.

We are requesting a copy of all documents pertaining to the role of Burns and Roe in designing and/or constructing industrial facilities at the Hanford Nuclear Plant at Richland, Washington during the 1958-1965 period.

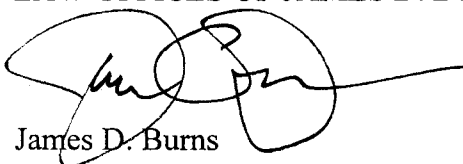

This request includes what work was performed, dates of the work, bids, contracts, correspondence, memoranda, specifications and any other writings.

We will pay in advance all reasonable expenses and costs of searching for and producing documents. If possible we would like copies of the documents within twenty days. Should you have any questions or need additional information, please communicate with me by letter or at my telephone number.

Thank you again for your cooperation in these matters.

Yours very truly,
