Dear Ms. Anderson:

FREEDOM OF INFORMATION ACT REQUEST (FOI 2010-01312)

Pursuant to the Freedom of Information Act (FOIA), you requested the records for "Project C-185, Part II – Railroad Construction, Relocation and Rehabilitation, Richland Village–NP–UP Connection," dated May 6, 1949. You further stated that this information was transmitted as a project proposal to the Atomic Energy Commission at Hanford by General Electric Company in a letter dated June 6, 1949 and you are only requesting information regarding Part II as the original Project C-185 was changed and not relevant to your request.

In your request you agreed to pay \$50.00 for any search, review and reproduction costs. We conducted a search for two hours using the following key words: C-185, Railroad Construction and Richland Village and located the enclosed two documents. This office provided you with a copy of each document attached in an e-mail message to you dated April 20, 2010, and indicated an additional 4 to 6 hours would be needed to complete our search. Search time is estimated to cost between \$151.20 and \$226.80 and reproduction of documents will be \$.05/per page. You responded on April 30, 2010, stating additional search time would not be necessary as the documents provided to you suffice and this office may close your request. Therefore, your request closed has been closed.

Costs associated with your request are as follows:

Reproduction – 108 pages @ \$.05/page	\$	5.40
Search time – 2 hours @ \$37.80/hour		<u>75.60</u>
Total	\$	81.00

Your check of \$50.00 (as this is the amount you agreed to pay) should be made payable to the U.S. Department of Energy and forwarded to my attention at the above address.

Ms. Lisa Anderson
