Dear Ms. Burke:

FREEDOM OF INFORMATION ACT REQUEST (FOI 2011-01540)

You requested, pursuant to the Freedom of Information Act (FOIA), documents pertaining to the U.S. Department of Labor (DOL) investigation into the active Enterprise Company employee's status within the Hanford Site Pension Plan. You requested any correspondence, e-mails, and phone logs between the U.S. Department of Energy, Richland Operations Office (RL), DOL, and Mission Support Alliance (MSA) representatives of the Hanford Site Pension Plan. You stated the time frame of the information of interest is April 1, 2011, to the current date, and of particular interest are the documents provided to DOL by representatives of the Hanford Site Pension Plan representative on or about June 28, 2011.

We have conducted a thorough search and the enclosed documents were located in the files of RL. Information that is not responsive to your request has been deleted in the hand written phone log.

In your request you also requested "documents provided to the Department of Labor by representatives of the Hanford Site Pension Plan on or about June 28, 2011." The documents in question fall under the jurisdiction of the DOL, not this office. For this reason, a copy of your request has been transferred to that office and the DOL will provide a response directly to you. For your reference should you need to contact DOL regarding the processing of your request, the address is as follows:
