

RADIO SERVICE BULLETIN

INDEX OF REGULATIONS AND MISCELLANEOUS ARTICLES APPEARING IN THE RADIO SERVICE BULLETIN, YEARS 1920 TO 1931

| Subject | Month | Year |
|--|-----------|------|
| Abbreviations: New international..... | September | 1920 |
| Accounts: | | |
| Instructions for handling traffic..... | June | 1922 |
| International radio accounting section transferred from Navy Department to Department of Commerce..... | August | 1924 |
| Aeronautical (aircraft): Operator and station licenses..... | June | 1930 |
| Air-line distances: Table of, between 15 cities in United States..... | March | 1928 |
| Amateur stations and operators: | | |
| War-time restrictions on amateur operators and amateur stations removed..... | October | 1919 |
| Regulations regarding licensed transmitters must be inductively coupled..... | do | 1919 |
| Regulations 3 and 4, act of Aug. 13, 1912, must be observed..... | do | 1919 |
| Message from Hartford to Washington direct on 200 meters..... | February | 1920 |
| Stations may operate pending action upon application for licenses..... | May | 1920 |
| Restrictions on special stations—stations not capable of adjustment on 200-meter wave..... | April | 1921 |
| Use of 175, 200 or 225 meters proposed for amateur broadcasting..... | February | 1922 |
| American radio relay league trans-Atlantic tests of 1922..... | October | 1922 |
| New station regulations..... | July | 1923 |
| Allowed to use short waves..... | August | 1924 |
| New regulations..... | January | 1925 |
| Restricted in communication with commercial and government stations..... | February | 1925 |
| Picture apparatus authorized for use by amateurs..... | June | 1925 |
| Allowed to use radiotelephone equipment..... | December | 1925 |
| List of Cuban experimental stations..... | October | 1927 |
| Licensing and operation of amateur stations..... | January | 1928 |
| Revised station regulations..... | March | 1928 |
| Do..... | September | 1928 |
| Do..... | December | 1928 |
| List of Cuban stations..... | August | 1929 |
| Revised station regulations..... | January | 1930 |
| Revised station regulations, General Order No. 84, Apr. 4, 1930..... | April | 1930 |
| Apparatus: | | |
| List of vessels on Great Lakes equipped with vacuum-tube receivers..... | do | 1924 |
| Investigation of interference caused by a Cottrell electric precipitator..... | June | 1924 |
| Investigation of power-line interference..... | do | 1924 |
| Radio interference from electrical precipitators..... | August | 1924 |
| Interference from harmonics..... | December | 1924 |
| Increase power for broadcasting stations..... | do | 1924 |
| Testing and adjusting piezo oscillators by Bureau of Standards..... | January | 1928 |
| Do..... | February | 1928 |
| Do..... | September | 1928 |
| Do..... | January | 1930 |
| Broadcasting stations: | | |
| Must not accept public messages from other stations—360 meters authorized concerts, etc.; 485 meters for crop and weather reports..... | do | 1922 |
| Commercial second-class operator's license or higher required for operation..... | do | 1922 |
| List of United States broadcasting stations..... | April | 1922 |
| Regulations pertaining to the broadcasting of weather, crop, and market information..... | May | 1922 |
| List of United States broadcasting stations..... | April | 1922 |
| Do..... | May | 1922 |
| Do..... | July | 1922 |
| Class B (400-meter wave) established, Regulations 57, Radio Laws and Regulations, edition Aug. 15, 1919, amended..... | September | 1922 |
| Class B regulations amended..... | October | 1922 |
| Operators of broadcasting stations cautioned regarding violation of sec. 2, act of Aug. 13, 1912..... | January | 1923 |
| List of United States broadcasting stations..... | April | 1923 |
| Test periods limited, class B regulations, class C (360 meters), established, etc..... | May | 1923 |
| Development regulations..... | do | 1923 |
| List of United States broadcasting stations..... | February | 1924 |
| New York conference recommends discontinuance of 450 meters by ships..... | do | 1924 |
| New York conference on radiating receiving sets..... | do | 1924 |
| List of British broadcasting stations..... | March | 1924 |
| List of French broadcasting stations..... | do | 1924 |
| List of Cuban broadcasting stations..... | do | 1924 |
| List of United States broadcasting stations..... | do | 1924 |
| List of Canadian broadcasting stations..... | May | 1924 |
| List of Mexican broadcasting stations..... | do | 1924 |
| List of Argentine broadcasting stations..... | July | 1924 |
| List of foreign broadcasting stations..... | November | 1924 |
| Interference from harmonics..... | December | 1924 |
| Increased power..... | do | 1924 |
| List of United States broadcasting stations..... | February | 1925 |
| Do..... | do | 1925 |
| Do..... | June | 1925 |
| Do..... | September | 1925 |
| List of foreign broadcasting stations..... | do | 1925 |
| List of United States stations equipped so as to suppress harmonics..... | November | 1925 |
| Additional list of United States stations equipped so as to suppress harmonics..... | December | 1925 |
| List of United States broadcasting stations..... | January | 1926 |

INDEX OF REGULATIONS AND MISCELLANEOUS ARTICLES APPEARING IN THE RADIO SERVICE BULLETIN, YEARS 1920 TO 1931—continued

| Subject | Month | Year |
|---|--------------|------|
| Broadcasting stations—Continued. | | |
| Additional list of United States broadcasting stations equipped so as to suppress harmonics. | January | 1926 |
| List of Canadian, Cuban, and Mexican broadcasting stations in order of frequency. | February | 1926 |
| Broadcasting (low and high frequency) stations: | | |
| List of broadcasting stations in vicinity of Chicago equipped with piezo crystal oscillators. |do..... | 1926 |
| Additional list of broadcasting stations in vicinity of Chicago equipped with piezo crystal oscillators. | March | 1926 |
| List of foreign broadcasting stations. | July | 1926 |
| List of broadcasting stations in Great Britain and Northern Ireland. | November | 1926 |
| List of United States broadcasting stations. | December | 1926 |
