CHPRC – EPC / PRE-JOB BRIEFING ADDENDUM "Plan your work and work your plan"

Work Package:	Job Number:
Project Name:	Facility Location:
	Date:

				_		Date:	
			General Discuss	ion			
AJHA#:							
Review MSDS for chemica	sed		Review Suspect /Counterfeit item awareness				
Review electrical, mechanical, QC inspection points for the world			the work	Identify the location of materials, tools, equipment			
Review Fire Marshal off-road restrictions / site fire danger levels			Review material handling / securing loads properly				
Review waste disposal mitigation (washout area, trash separation, etc)			eparation, etc)	Discuss vendor deliveries			
Identify the work package location (job trailer, S			Supervisor, etc)		Post startup / component testing requirements		
Discuss system installation to maintain hazardous ene	anical, etc.) requiring air gaps		Identify equipment pre-use inspection requirements / 360- walkaround				
		Emerger	ncy Preparedness	s / Resp	onse		
Discuss "Respond to All A	ess Told Otherwise		Identify the nearest "Take Cover Facility":				
First-aid trained personnel	, location of first-ai	kit, AED & First-aid station Iden		Identify	ify Staging Area / Alternate Rally Points		
	Sp	ecific Pro	otective Equipme	nt and	Supplies		
Parking Controls	Coveralls		Gloves			DATORY PPE:	
Barricade Safety Cones	Disposable Cove	eralls	Goggles		 Substantial footwear-construction work boots 		
Spotters	Fire Extinguishe				Hardhats meeting ANSI Z89.1 criteria		
Pedestrian Controls	Flame retardant		Fall Protection		 Nonconductive frame safety glasses meeting ANSI Z87.1 (2003 criteria) 		
Knee Pads	Air Monitoring		Lifeline	ifeline		Reflective high-visibility vests / clothing	
Ear muffs/plugs					Dther: (specify)		
Worker Certification	n Required	Equipment Vehicle Inspections:					
Crane Operator	•	Aerial lift		Scaffold		Ladder(s)	
Forklift Operator		Chain-fall		Earthmoving Equipment		Hand tools	
Qualified Rigger		Crane		Rotating Equipment		Commercial Vehicle	
Mobile equipment operator	r	BTH Rigging		Air-powered tools		Electrical Power Tools	
Competent Person (lead, asbestos, etc.)				Forklift		Concreter	
Competent Person (lead, a	· · · · · · · · · · · · · · · · · · ·			1 On thirt		Generator
