

CHAPTER 05

This chapter provides a visual snapshot of the state of the Marine Corps. It includes descriptions of the fiscal resources that we apply across the four “pillars” that support what we do: Marines and their

MARINE CORPS ALMANAC

families, legacy systems, infrastructure, and transformation and modernization. The chapter also examines some of the demographics, distribution, and the military occupational specialties of our officer and enlisted forces, the key building blocks of the Marine Corps. Personnel graphics were previously published in the Marines Magazine Almanac 2002.
