The Memorial to the Fallen

We will always remember. We will always be proud.
We will always be prepared, so we will always be free.

– President Ronald Reagan

This Memorial is dedicated to members of the United States military and Department of Defense civilians who have lost their lives in the Global War on Terrorism.

The war began after terrorist attacks on the United States on September 11, 2001. It includes Operation Enduring Freedom and Operation Iraqi Freedom. The objectives are to protect citizens and interests of the United States and its allies and to destroy international terrorist networks.

This Memorial is a place where families, friends and fellow citizens can reflect on the lives of the Fallen and remember their service to our country. It was funded through the generosity of businesses, organizations, and individuals throughout North Dakota and across the United States.
