Changes to all EB-18 Bulletins as of Dec. 29, 2006:

Title Page:	TVTR	Changed version date to December 2006
Section I:D:	TVTR	Updated wording of paragraph describing requirements for station identification.

Changes to all EB-18 Bulletins as of Sept. 21, 2006:

Title Page:	AM/FM/TV	Changed version date to September 2006
-------------	----------	--

Section I:F: AM/FM/TV Added new questions (AM-Q41&42, FM-Q41&42, TV-Q48&49)
JOINT SALES AGREEMENTS: For commercial stations, does the public file contain a copy of every agreement involving the joint sale of advertising time involving this station? Confidential or proprietary information may be removed. [See [73.3526\(e\)\(16\)](#) and [73.3613\(d\)\(2\)](#)]

RETENTION OF JOINT SALES AGREEMENTS: While there is currently no rule indicating a specific retention period, these agreements should be maintained as long as the agreement is in force.

AM/FM/TV Existing questions renumbered to reflect addition of the above named items.

Changes to all EB-18 Bulletins as of Aug.21, 2006:

Title Page: TV,TVCA Changed revision date from August 2005 to August 2006.

Section I:F: TV,TVCA Added new question (TV- Q43, TVCA-Q39):
PUBLICATION OF CHILDREN’S PROGRAMMING REPORTS: Does the licensee publicize the existence and location of the station’s Children’s Television Programming Reports? [See [73.3526\(e\)\(11\)\(iii\)](#) and www.fcc.gov/cgb/consumerfacts/childtv.html]

TV Only Added new questions Q46 & Q47:
TIME BROKERAGE AGREEMENTS: For commercial stations, does the public file contain a copy of every agreement or contract involving time brokerage of the licensee’s station, or of another station by the licensee? Confidential or proprietary information may be removed. [See [73.3526\(e\)\(14\)](#)]

RETENTION OF TIME BROKERAGE AGREEMENTS: Are these records maintained as long as the contract or agreement is in force? [See [73.3526\(e\)\(14\)](#)]

TV,TVCA Existing questions renumbered to reflect addition of the above named items.

Changes to all EB-18 Bulletins as of Dec. 20, 2005:

Title Page: AM,FM,LPFM,TV,TVCA Added “Updated as of 12/20/05” to bottom of page.

Section I:B: LPFM only Changed first Note reference to NOTE 1 and second Note reference to NOTE 2. Moved NOTE 2 up on page.
 Added the following to NOTE 2: “An electronic signature is acceptable in lieu of a written signature for those making, or reviewing, entries in station logs and records which are maintained on digital media.”

Section I:C: AM,FM,TV,TVCA Added “**NOTE:** An electronic signature is acceptable in lieu of a written signature for those making, or reviewing, entries in station logs and records which are maintained on digital media.”

Changes to all EB-18 Bulletins as of Aug 15, 2005:

Title Page: AM,FM,LPFM,TV,TVCA Changed revision date to August 2005.

Section I:A: LPFM only Added rule reference for §73.845.

Section I:F:	AM,FM,TV,TVCA	Question 12 : Changed wording to reflect that a separate public file is required for each station authorization.
Section I:F:	TV,TVCA	Question 12: Added the following Note after this question: Note: This includes separate files for each analog, and digital, station authorization.
Section I:F:	AM,FM,TV,TVCA	Question 18: Added NA checkbox as map is only required in file, if submitted as part of a filing to FCC.
Section I:F:	AM,FM,TV,TVCA	Question 19: Added NA checkbox.
Section I:F:	AM,FM,TV,TVCA	Question 20: Added “or partnerships comprised entirely of natural persons” to the wording.
Section III:	All versions	Removed reference to FCC-Mapbook as FCC-EAS office no longer maintains an FCC-Mapbook.
Section III:B:	LPFM only	Added new Q30: Unattended Automatic Operation. This increased all subsequent question numbering accordingly. Also added: Note: Though not required to transmit the codes, LPFM shall retransmit audio portion of any required EAS message received.
Section III:C:	AM,FM,TV,TVCA	Added new Q 63(AM,FM), Q 68(TV), Q66 (TVCA): Unattended Automatic Operation. This increased all subsequent question numbering accordingly.
Section V:A:	LPFM only	Added reference to: Report and Order in MM Docket 99-25, FCC 00-19 . in section on Unattended operation, and in Q46.
