111 INSPECTOR ( ) 112 LAST INSP: 113 LAST INFO REQ:

**Paperwork Reduction Act Statement:**

The information collected on this form is necessary because it is the description of the physical and operational characteristics of the airport that will be on file with the FAA. The information will be maintained in FAA computers for record keeping purposes and used in airspace studies. Some of the information on this form is critical to aviation safety and will be published in flight information handbooks and charts for pilot use. The burden associated with completing this form is estimated to be 2 hours. Providing this information is mandatory if the proponent wishes to have the airport on file with the FAA and entered into the National Airspace System. No assurances of confidentiality are given. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number associated with this collection is 2120-0015. Comments concerning the accuracy of this burden and suggestions for reducing the burden should be directed to the FAA at: 800 Independence Ave SW, Washington, DC 20591, Attn: Information Collection Clearance Officer, AIO-20
