MERIDIAN
Knowledge Solutions, LLC
a division of Vip

With Meridian Global LMS, You Will ...

COLLABORATE ONLINE EFFORTLESSLY

- Peer-to-peer collaboration
- Peer rating of content
- Formal & informal collaboration spaces
- Expert locator and knowledge-sharing tools
- Social networking based on content ratings
- Blogs
- Communities of Practice

CREATE AND MANAGE CONTENT SMARTLY

- True blended learning support
- Prescribed learning
- Knowledge capture & creation
- Learning content management
- Collaborative content development
- Robust search engine with filters by peer rating
- Multiple domains or "portals" to support different organizations or groups
- "Bulk Importer" imports your entire library of SCORM or AICC content at one time.

MANAGE TALENT STRAIGHTFORWARDLY

- Individual Development Plans based on job title
- Recommended training activities for skill gaps
- 360-degree skills assessment survey
- Personal competencies and related training
- Spell-checker for reviews and recommendations
- Online performance appraisals

MAKE LEARNING EASY FOR USERS

- E-Commerce for buying and selling learning
- Configurable interfaces based on user preference
- More languages to reach more learners
- On-the-fly multilingual interfaces
- Role-based, custom end-user experience
- Tag groups and peer contacts and content favorites
- Intuitive search and calendar functions

MEASURE AND REPORT ON THE VALUE OF LEARNING

- Executive dashboard for workforce metrics
- Administrator dashboard for site usage and ROI

- Manager dashboard for employee tracking
- Real-time, flexible reporting
- Custom ad hoc graphical presentations
- Analysis grids filter, refine, and drill into data
- Create calculation and summary tabs
- One-touch exporting to MS Office®, PDF, or XML

TAP INTO 100% .NET TECHNOLOGY

- Highly scalable, secure and configurable
- Enterprise application easily integrated with other enterprise players
- Exposes approximately 2,000 Web Services to support easy integration at any level
- SCORM and AICC certified for interoperability
- Microsoft Certified Partner

DELIVER TRAINING QUICKLY AND SIMPLY

- Dynamic permissions-based menu
- Sign-on once, and only once, to start learning
- Configuration at system and domain level
- Powerful integrated help system
- Section 508 accessibility support
- Management of sender's and recipient's email, including electronic reminders

Gone are the days when LMS software simply tracked and delivered training to employees.

Meridian's Web 2.0 technology sparks collaboration, ignites learning and ensures satisfaction with easy-to-use performance-support tools.
