**ORDER INSTITUTING
ADMINISTRATIVE PROCEEDINGS
AND NOTICE OF HEARING
PURSUANT TO SECTION 12(j) OF
THE SECURITIES EXCHANGE ACT
OF 1934**

I.

The Securities and Exchange Commission (“Commission”) deems it necessary and appropriate for the protection of investors that public administrative proceedings be, and hereby are, instituted pursuant to Section 12(j) of the Securities Exchange Act of 1934 (“Exchange Act”) against Respondents Sanctuary Woods Multimedia Corp., Satellite Auction Network, Inc. (a/k/a L International Computers, Inc.), Scientific Measurement Systems, Inc., Scorpion Technologies, Inc., Scott Science & Technology, Inc., Security Environmental Systems, Inc., and Sensotron, Inc.

II.

After an investigation, the Division of Enforcement alleges that:

A. RESPONDENTS

1. Sanctuary Woods Multimedia Corp. (CIK No. 900748) is a void Delaware corporation located in Emeryville, California with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). Sanctuary Woods is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it

filed a Form 10-K for the period ended March 31, 1998, which reported a loss of over \$16.5 million for the prior twelve months. On July 6, 1999, Sanctuary Woods filed a Chapter 7 petition with the U.S. Bankruptcy Court for the Northern District of California, which was terminated on February 1, 2006.

2. Satellite Auction Network, Inc. (a/k/a L International Computers, Inc.) (CIK No. 803571) is a void Delaware corporation located in Irving, Texas with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). Satellite Auction is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-Q for the period ended April 30, 1987, which reported a net loss of over \$730,000 for the prior three months. It appears that Satellite Auction's corporate identity was highjacked by L International Computers, Inc., which is not a legitimate corporate successor. Based on this apparent corporate identity theft, on March 13, 2008, the Commission suspended trading in the securities of L International Computers (symbol "LITL") due to a lack of current and accurate information concerning its securities.

3. Scientific Measurement Systems, Inc. (CIK No. 87814) is a forfeited Texas corporation located in Austin, Texas with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). Scientific Measurement Systems is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-QSB for the period ended April 30, 2000, which reported a net loss of \$329,000 for the prior three months. On December 13, 2000, Scientific Measurement Systems filed a Chapter 7 petition in the U.S. Bankruptcy Court for the Western District of Texas, and the case was terminated on September 12, 2003.

4. Scorpion Technologies, Inc. (CIK No. 803190) is a Colorado corporation located in San Jose, California with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). Scorpion Technologies is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-Q for the period ended September 30, 1993, which reported a net loss of over \$7.3 million for the prior nine months.

5. Scott Science & Technology, Inc. (CIK No. 735635) is a void Delaware corporation located in Los Angeles, California with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). Scott Science & Technology is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-K for the period ended September 30, 1996.

6. Security Environmental Systems, Inc. (CIK No. 842399) is a void Delaware corporation located in Huntington Beach, California with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). Security Environmental Systems is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-Q for the period ended March 31, 1994, which reported a net loss of over \$562,000 for the prior three months. On April 20, 1995, the company filed a Chapter 11 petition in the U.S. Bankruptcy Court for the Central District of California, and the case was terminated on August 9, 2000.

7. Sensotron, Inc. (CIK No. 826757) is a suspended California corporation located in Huntington Beach, California with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). Sensotron is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-K/A for the period ended August 31, 1995, which reported a net loss of over \$1.4 million for the prior twelve months.

B. DELINQUENT PERIODIC FILINGS

8. As discussed in more detail above, all of the Respondents are delinquent in their periodic filings with the Commission, have repeatedly failed to meet their obligations to file timely periodic reports, and failed to heed delinquency letters sent to them by the Division of Corporation Finance requesting compliance with their periodic filing obligations or, through their failure to maintain a valid address on file with the Commission as required by Commission rules, did not receive such letters.

9. Exchange Act Section 13(a) and the rules promulgated thereunder require issuers of securities registered pursuant to Exchange Act Section 12 to file with the Commission current and accurate information in periodic reports, even if the registration is voluntary under Section 12(g). Specifically, Rule 13a-1 requires issuers to file annual reports, and Rule 13a-13 requires domestic issuers to file quarterly reports.

10. As a result of the foregoing, Respondents failed to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 thereunder.

III.

In view of the allegations made by the Division of Enforcement, the Commission deems it necessary and appropriate for the protection of investors that public administrative proceedings be instituted to determine:

A. Whether the allegations contained in Section II hereof are true and, in connection therewith, to afford the Respondents an opportunity to establish any defenses to such allegations; and,

B. Whether it is necessary and appropriate for the protection of investors to suspend for a period not exceeding twelve months, or revoke the registration of each class of securities registered pursuant to Section 12 of the Exchange Act of the Respondents identified in Section II hereof, and any successor under Exchange Act Rules 12b-2 or 12g-3, and any new corporate names of any Respondents.

IV.

IT IS HEREBY ORDERED that a public hearing for the purpose of taking evidence on the questions set forth in Section III hereof shall be convened at a time and place to be fixed, and before an Administrative Law Judge to be designated by further order as provided by Rule 110 of the Commission's Rules of Practice [17 C.F.R. § 201.110].

IT IS HEREBY FURTHER ORDERED that Respondents shall file an Answer to the allegations contained in this Order within ten (10) days after service of this Order, as provided by Rule 220(b) of the Commission's Rules of Practice [17 C.F.R. § 201.220(b)].

If Respondents fail to file the directed Answers, or fail to appear at a hearing after being duly notified, the Respondents, and any successor under Exchange Act Rules 12b-2 or 12g-3, and any new corporate names of any Respondents, may be deemed in default and the proceedings may be determined against it upon consideration of this Order, the allegations of which may be deemed to be true as provided by Rules 155(a), 220(f), 221(f), and 310 of the Commission's Rules of Practice [17 C.F.R. §§ 201.155(a), 201.220(f), 201.221(f), and 201.310].

This Order shall be served forthwith upon Respondents personally or by certified, registered, or Express Mail, or by other means permitted by the Commission Rules of Practice.

IT IS FURTHER ORDERED that the Administrative Law Judge shall issue an initial decision no later than 120 days from the date of service of this Order, pursuant to Rule 360(a)(2) of the Commission's Rules of Practice [17 C.F.R. § 201.360(a)(2)].

In the absence of an appropriate waiver, no officer or employee of the Commission engaged in the performance of investigative or prosecuting functions in this or any factually related proceeding will be permitted to participate or advise in the decision of this matter, except as witness or counsel in proceedings held pursuant to notice. Since this proceeding is not "rule making" within the meaning of Section 551 of the Administrative Procedure Act, it is not deemed subject to the provisions of Section 553 delaying the effective date of any final Commission action.

By the Commission.
