In each of these Orders, the Division of Enforcement (Division) alleges that the issuers are delinquent in their required periodic filings with the Commission.

In each of these proceedings, instituted pursuant to Securities Exchange Act of 1934 (Exchange Act) Section 12(j), a hearing will be scheduled before an Administrative Law Judge. At those hearings, the judge will hear evidence from the Division and the respondents to determine whether the allegations of the Division contained in the Order, which the Division alleges constitute a failure to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 thereunder, are true. The judge in each proceeding will then determine whether the registrations pursuant to Exchange Act Section 12 of the securities of the respective respondents should be revoked or suspended for a period not exceeding twelve months. The Commission ordered that the Administrative Law Judge in each proceeding issue an initial decision not later than 120 days from the date of service of the order instituting proceedings.
