

As stated in the Distribution Plan, the Fair Fund will be distributed by the methodology described in the Plan to eligible claimants who: (1) subscribed to a Weiss Research premium service publication at any point between September 1, 2001 through December 31, 2004, and (2) had during that same period an auto-trading arrangement with a broker-dealer to execute automatically all trading recommendations contained in the Weiss Research publication. The Distribution Plan describes the procedures which will be used to identify the eligible claimants that will receive distributions under the Distribution Plan. The Distribution Plan further describes the procedures that will be used to calculate the total amounts to be paid to the eligible claimants and to distribute those amounts.

Pursuant to Rule 1104 of the Commission's Rules on Fair Fund and Disgorgement Plans, 17 C.F. R. § 201.1104, IT IS HEREBY ORDERED that the Distribution Plan is approved.

For the Commission, by its Secretary, pursuant to delegated authority.
