**2<sup>ND</sup>**  
**WORLD CONGRESS**  
**ON**  
**WOMEN'S**  
**MENTAL HEALTH**

*March 17-20, 2004*

**Marriott Wardman Park Hotel**  
**Washington, DC, USA**

Join physicians, scientists, women's health practitioners and advocates by attending this interdisciplinary Congress.

Over 500 papers and posters to be presented at plenary sessions, symposia, and workshops including the latest information on clinical and basic research on a broad range of topics related to women's mental health across the lifespan.

10 satellite symposia

19.5 hours CME is available at the core program with additional CME available at some of these satellite symposia.
