

2012-2013 PIR Change Highlights Summary

Key changes to the 2012-2013 Program Information Report (PIR) from the 2011-2012 Report are noted below. References to question numbers use the numbering from the 2012-2013 PIR.

Changes and additions to the 2012-2013 PIR were carefully considered based on HSES Help Desk feedback, grantee comments on previous PIRs, and statutory and regulatory language. Edits are intended to decrease time and effort needed to complete the PIR.

C. Child & Family Services

- **New definitions** were provided for section C as a continuing part of the PIR improvement process based on feedback received by the HSES Help Desk. These changes do not affect the intent or context of the questions or their instructions.
- The question on the number of families with a parent/guardian in the US military **was clarified** to include “on active duty” [C.38].
