**COUNSEL FOR THE ACTING GENERAL COUNSEL'S
CORRECTED MOTION TO EXCEED PAGE LIMITATION**

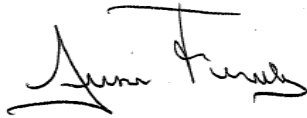

Counsel for the Acting General Counsel, pursuant to the National Labor Relations Board Rules and Regulations, Section 102.46(j) and for good cause shown, respectfully files a corrected motion to exceed the 50-page limit exception for its answering brief in response to Respondent's exceptions to ALJ Mark Carissimi's decision in the above-captioned matter.

Counsel for the General Counsel makes the request for the following reasons: (1) Respondent filed 22 exceptions; (2) Respondent's Brief in Support of Exceptions is approximately 97 pages in length; (3) ALJ Carissimi's decision is 85 pages in length; (4)

Counsel for the General Counsel and Respondent filed post hearing briefs that were approximately 100 pages in length.

For the foregoing reasons, particularly the numerous exceptions filed by Respondent in this matter and the length of its supporting brief, Counsel for the General Counsel respectfully requests an extension of the 50-page limit to 120 pages.

Respectfully submitted:
