Temporary closure on New Orleans canal overtopped

NEW ORLEANS, Sept. 23 – The temporary closure on the Industrial Harbor Navigation Canal in New Orleans has been overtopped; however, the structure still remains intact.

An Army Corps of Engineers team is on site, and is currently working to mobilize contractors in the area.

More information will be released as it becomes available.

For information contact, contact the U.S. Army Corps of Engineers Public Affairs Office in New Orleans at 504-8621231.
