<sup>a</sup> Under CAA section 114, emission data is not entitled to confidential treatment. See Section I.C of the preamble for the July 7, 2010 CBI proposal (75 FR 39094, July 7, 2010) for further discussion of CAA section 114 requirements. The term emission data is defined at 40 CFR 2.301(a)(2)(i).

<sup>b</sup> Section 114(c) of the CAA affords confidential treatment to data (except emission data) that are considered CBI.

<sup>c</sup> EPA did not make a category-specific confidentiality determination for this category but instead made determination for individual data elements. The data category contains data elements determined to be CBI and data elements determined to be non-CBI.
