

***The NDMSP is committed to reducing motorcycle crashes, injuries and fatalities. Riding a motorcycle requires training and skill that many riders — even those who have been riding for years .***

***Safety courses can help riders sharpen their skills and, in turn, prevent accidents. Classes take place between April and September and are offered at various days and times to accommodate most people.***

***Numerous cities host the classes, including Bismarck, Bowman, Devils Lake, Dickinson, Grand Forks, Fargo, Hazen, Jamestown, Minot, and Williston.***

***For the 2011 code which allows N.D. National Guardsmen to take the course, contact the N.D. National Guard Safety Office and e-mail [bradley.hoines@us.army.mil](mailto:bradley.hoines@us.army.mil) or 701-333-2281 or [monte.ohlhauser@us.army.mil](mailto:monte.ohlhauser@us.army.mil) or 701-333-2280.***

***ANG personnel may contact SMSgt Goodyear at [james.goodyear@ang.af.mil](mailto:james.goodyear@ang.af.mil) 701-451-2521.***

***Ensure you do not share the code with fellow personnel. Each person must contact the Safety Office to ensure the name list for ABATE matches the name list with the N.D. National Guard State Safety Office.***

***Riders can register at [www.ndmsp.com](http://www.ndmsp.com).***
