2005 VVSG UPDATE

Staff continues to work with NIST to resolve comments to the TGDC recommendations that will be used to update the 2005 VVSG. The goal of the update is to clarify ambiguities in the standards and allow for the creation of test suites for the 2005 VVSG

NEXT ITERATION VVSG

Staff continues to work with NIST to resolve comments to the TGDC recommendations and prepare the document for the second round of public comments.
