"Every Student Matters, Every Moment Counts"

Principal's Message

We have had a fantastic week at CCP!

Our students are learning all about golf. Paul T and Eric W from the Golf Shop are teaching our students how to play golf. This activity will culminate with a field trip to the golf course.

Stakeholder Committee did an awesome presentation meeting at the School Board yesterday. stakeholders We have two new committed to becoming involved at CCP. They are Bernard E - Defense Commissary Agency, and Ivette S - AllSouth Federal Credit Union. Alana Y - Balfour Beatty was also here. They are already very much involved at CCP. They have supplied school supplies, prizes for our students and donated to PTO sponsored events.

Some students are arriving too early. If students eat breakfast, they should arrive at 7:30AM. If they are not eating breakfast, they should arrive at 7:40AM.

- Annie Crandle

News from Your Counselor Parents make The Difference!

Kids get teased. They have best friends who don't want to be friends any more. Conflicts such as these are inevitable. But conflict isn't all bad. Some is needed to express feelings and solve problems. It's Important that you show your child positive and appropriate ways to handle conflicts that come up.

The adults can model positive ways to resolve conflicts. Children will model what they hear and see. When yelling, physical aggression, and inappropriate language is observed to solve conflicts then it is likely that will be the way they solve conflicts and problems. Children need many situations where the adults in their life show respect for the law and rights of others. Experts say spending 20 minutes a day with one parent a day greatly reduces a child's aggressive behavior. You can call for an appointment at 787-6815 ext. 2642.

I'd be happy to talk to you about this topic or any other concerns you may have about your child.

WEDNESDAY WALKERS February 6, 2013

71 students participated in Wednesday Walkers, traveling 403 laps or 135 miles. We've left **Pyote**, **Texas** and have arrived about 40 miles east of **Fort Hancock**, **Texas**, which by car would take 2 hours and 20 minutes. We are getting closer to New Mexico!

This week Jabari C, Makayla H, Hailey L, Tyanna P, and Kylie T were handed the red foot for achieving 10 miles. Congratulations!

Kyle B, Generosity K, and Korbin W earned the blue foot which signifies 20 miles! Way to go!

Jaismin N and Tae W have achieved the yellow foot which signifies **30** miles! Fantastic!

Welcome to our newest members Jalin J and Jasen H.

Remember to bring your water bottle each week.

5th Grade Colonial Field Trip

The fifth grade students were given an excellent opportunity to see their curriculum come to life when they visited the Lexington County Museum's Colonial Life Exhibit. The students' "trip back in time" included a chance to visit a one room schoolhouse, work on a colonial farm, and experience the life of a colonial family. The students were very excited to see how things really worked and thought the opportunity to interact with things they are reading about to be an invaluable experience.
