

Fritchie Refuge Flood Side Bottomland Hardwood (Wet)

Project Location

This proposed project is located on the north shore of Lake Pontchartrain on the north east quadrant of the lake and is approximately five miles east of Slidell, Louisiana in St. Tammany Parish. It is bounded on the east by U.S Highway 90, on the North by U.S. Highway 190, on the west by Interstate 10 and on the south by Lake Pontchartrain.

Project Features

This alternative consists of 51 acres of bottomland hardwood (wet) enhancement that would be achieved by clearing and spraying invasive or nuisance plant species and re-planting native hardwoods.

Borrow Plan

Borrow material would not be needed for this project.
